# PROJECTS TAB $3.9 MILLION

## . . . 6-Year Improvement Program Revealed

By Virgil Falloon

Lincoln's 1960-61 capital improvements program is being proposed at $3,944,000 by the various city departments with projected estimates totaling $19,034,050 for the subsequent 5 years.

**A preliminary summary of the 6-year program, estimated at $21,978,050, was handed Wednesday to the City-County Planning Commission for review on the first leg of its journey to the City Council by mid-June.**

Under new charter provisions, the city administration must estimate capital needs for the coming fiscal year as well as the next 5.

The 1960-61 capital program of $3.9 million compares with the proposed 1959-60 program of $3.7 million.

The Star's preliminary check shows at least $800,000 could come from general tax funds. At least $2.7 million could come from other city revenue funds and state and federal allocations.

**Largest single category is street and highway improvements with $1.7 million proposed for 1960-61 and some $13 million over the 6-year period.**

The East O expressway project from 27th to 63rd is proposed at $1,200,000 for 1960-61 with another $1.5 million between 1961 and 1964.

Capital expenditures for the proposed Northeast Diagonal are projected as $1,040,000 between 1964 and 1966.

For 1960-61, arterial resurfacing is estimated at $200,000 and widening-repaving at $300,000.

Water supply and distribution improvements are proposed at $850,000 for the coming fiscal year. Major items are two reservoirs totaling 14 million gallons to be located near 51st and Cornhusker and at 32nd and Mohawk.

Sanitary sewer system estimates for 1960-61 include $355,000 for the Havelock trunk system and $45,000 for small system additions.

Similarly, major storm sewer and drainage needs include H from 4th to West 1st, $35,000; Colfax from Touzlin to 56th, $28,000; 11th and Manatt to 8th and Knox, $40,000; Randolph from 27th to Antelope Creek, $30,000; 63rd and Seward to 59th and Platte, $80,000, and 29th and Leighton, $40,000, and 3 Dead Man's Run bridges, $105,000.

Other proposed projects are $170,000 for raxing the old Bryant School buidling at 18th and Q and erecting a new one-story shop building for the street department.

The fire department proposes no improvements next year, but a $78,000 station at 66th and Vine by 1961-62 and a $50,000 station near 11th and Belmont by 1965-66.

Summary of the 1960-61 capital program as proposed:

**Departmet of Public Works**—street lights, $41,250; commercial light, $259,000; street department, $177,500; street and highway improvements, $1,700,000; water supply and distribution, $850,000; sanitary sewers trunk system, $400,000; storm sewers and drainage, $416,000.

**Dept. of Public Welfare & Safety**—park system, $40,250; new city hall elevator, $40,000.

**City Libraries**—$20,000 for planning with improvements totalling $580,000 for the main library at 14th and N between 1961 nd 1964.

Some divisions did not project needs beyond 1960-61, but the general summary for the total 6-year program is:

**Public Works and Utilities**—street lights, $228,750; commerical lights, $259,000; street department, $177,500; street and highway improvements, $13,060,000; water supply and distribution, $3,392,300; sanitary trunk sewers, $1,688,500; and storm sewers and drainage, $1,974,500.

**Public Welfare and Safety**—parks, $369,500 (does not include $3.25 million park improvement bond issue proposed for May 10); fire, $128,000; and city property, $63,500.

**City Libraries**—$828,000.

# SS Med Plan Gets Demo Nod

## . . . Rayburn To Lend Influence

**Washington (UPI)—House Democratic leaders, in the face of administration opposition, decided Wednesday to try to add hospitalization insurance to benefits available to the aged under the Social Security program.**

If approved by Congress, the medical aid would be financed by requiring persons earning more than $4,800 a year—and their employers—to pay more in social security taxes. Those making less than that would not be affected.

Speaker Sam Rayburn assured liberal Democrats he would use his influence to help them get the legislation through a bottleneck in the House Ways and Means Committee.

The powerful Texas Democrat, hitherto neutral on this controversial issue, gave the assurances behind closed doors to 3 Democrats on the committee.

**Reuther "Encouraged"**

Earlier in the day, Walter Reuther, president of the United Auto Workers, met with Rayburn to discuss prospects for action on the labor-backed legislation. Reuther came away "encouraged."

Informants said that Rayburn, in his huddle with the 3 committee Democrats, rejected as too extreme the so-called Forand bill, but said he would support a compromise.

The Forand bill, already rejected by the Ways and Means Committee would add to the Social Security benefits available at age 65 a program of paid-up insurance covering hospitalization, nursing home care and surgical benefits. To pay for this, it would raise Social Security taxes across the board and increase to $6,000 the present $4,800 in annual wages to which the Social Security payroll tax applies.

**Compromise Backed**

Rayburn was reported to have given assurances that he would support a compromise limited to hospitalization insurance which could be financed simply by raising the tax base to $6,000.

Reuther and other leaders of organized labor who have spearheaded the drive for the Forand bill would be happy to accept such a compromise. Labor strategists, in fact, have been talking of a compromise under which the benefits would be limited to hospitalization, would not begin until age 68 and would not cover the first 3 days of hospitalization.

## . . . SCHOOL'S REORGANIZATION OK'D BY REGENTS

Dr. Elvin F. Frolik, a native Nebraskan and associate director of the Nebraska's Agricultural Experiment Stations, will succeed Dr. W. V. Lambert as dean of the University of Nebraska's College of Agriculture on June 15.

**His appointment was approved Wednesday by the Board of Regents upon the recommendation of Chancellor C. M. Hardin and the overwhelming support of College of Agriculture faculty members.**

Dean Lambert previously had announced plans for leaving the University to accept a post with the University of Illinois in India. He will remain on the staff of the University on leave of absence as professor of animal husbandry.

In approving the appointment of Dr. Frolik, the board also approved the recommendation of Chancellor Hardin for a reorganization of the administrative staff of the College of Agriculture, effective June 15. Dean Lambert also held the titles of Director of Resident Instruction, Agricultural Experiment Stations and the Agricultural Extension Service.

More NU Action Ps. 9, 10, 11

**Under the reorganization plan, Dr. Frolik as dean will be chief administrator of all activities of the College of Agriculture and E. W. Janike and Dr. Franklin Eldridge will be elevated to the directorships of the Extension Service and Resident Teaching, respectively. Both have been serving in an associate capacity.**

The position of director of the Agricultural Experiment Stations will be filled later.

**More Flexibility**

"The reorganization will allow for more flexibility in the College of Agriculture and delegate more responsibility," Chancellor Hardin said.

The Chancellor informed the board that Dr. Frolik's appointment as dean met with the approval of the College of Agriculture faculty.

Dr. Frolik, 51, received his Bachelor's degree in 1930 and his Master's in 1932, both from the University of Nebraska. Later, he studied at Cornell University and took his Ph.D. in plant genetics at the University of Minnesota in 1948. He was a research fellow at the California Institute of Technology during the summers of 1947 and 1948, where he studied under Dr. George Beadle, native Nebraskan who has since won a Nobel prize in plant genetics.

In 1933-34, Dr. Frolik served as Nemaha county agent at Auburn, then entered farm management work with an insurance company. He later joined the resident staff of the College of Agriculture, where he was first extension agronomist and later a research worker and classroom teacher. He was chairman of the department of agronomy from 1952 to 1955, when he was appointed to his present position as associate director of the Agricultural Experiment Stations.

# Budget At NU Rises $500,000

A $552,784 increase over the 1959-60 budget for the University of Nebraska was approved Wednesday afternoon by the Board of Regents, meeting in Omaha.

**The new one-year budget, effective July 1, is for the second year of the current biennium and totals $16,693,071.**

The bulk of the increase, $500,000, is to come from the University's share of the current biennial state general fund appropriation and is in keeping with fiscal plans submitted to and approved by the 1959 Legislature.

Comptroller Joseph Soshnik said of the total increase, $400,908 will be for academic salaries, $78,877 for classified salaries, graduate assistants, and hourly wages, and $72,999 for operating expenses and equipment.

**He said of the operating expenses and equipment, more than $30,000 will be for increased University contributions to Social Security and another $30,000 for the increased costs of power plant and purchased utilities.**

Chancellor C. M. Hardin told the board that all of the increased salaries are on a merit basis and not "across-the-board."

State tax appropriation including veterinary medicine fund, $12,798,000; income from students, $1,999,750; federal funds, $1,456,157; endowment income, $45,000; county levies for patient care at University Hospital, $156,000; other income, including cost reimbursements and cost of allowances in fellowship, training and research grants, $238,163.

# Drug Industry Curbs Urged

Washington (AP) — Two doctor witnesses Wednesday advocated tougher federal policing of the drug industry. They accused it of pushing costly, relatively worthless and sometimes dangerous new medicines on physicians and patients.

The testimony, some of it critical of doctors as well as drug manufacturers, came from Dr. Frederick H. Meyers of the University of California medical center staff, and Dr. A. Dale Console of Princeton, N.J.

They gave their views at hearings the Senate antitrust and monopoly subcommittee is conducting on allegations that the drug industry is profiteering on medicines.

**Promotion Binge**

Contending the average doctor is bombarded almost daily with bewildering and exaggerated claims for rival new medicines, Myers told the subcommittee:

"It's no surprise that he (the doctor) often prescribes the drugs uneconomically and even, less often, unscientifically."

Console pictured a lot of doctors as being fooled too often by slick advertising claims. He also said manufacturer's representatives ply doctors with sales talks and gifts — often a handful of golf balls on which the doctor's name is stamped.

Both men said some drugs now on the market have potentially dangerous side effects.

# TAXPAYER DEADLINE EXTENDED

Washington (UPI) — Government tax collectors yielded to mounting pressure Wednesday and extended the deadline for filing federal income tax returns from Friday midnight until midnight Monday, April 18.

The Internal Revenue Service granted the 3-day grace period because the original April 15 deadline falls this year on Good Friday, a legal holiday in 13 states and 3 U.S. possessions.

Under the law, taxpayers in these 16 areas automatically had until Monday, the next working day, to file their returns on 1959 income.

In announcing the deadline extension, the tax collecting agency said "it was felt that similar treatment should be accorded all taxpayers."

The agency's decision meant that returns need not be postmarked until midnight, next Monday, to be considered on time. A 5% penalty on any taxes owed could be imposed on taxpayers filing after that hour.

An estimated 60 million Americans must file income tax returns this year. Many millions traditionally wait until the last day to slip their returns into the mails.

## Weather Holds Few Surprises

Clear to partly cloudy skies will prevail throughout the state Thursday and Thursday night.

Warmer temperatures are predicted in the western portion of the state, with somewhat cooler weather anticipated in the extreme southeast warming up again Thursday night.

Highs Thursday will remain mostly in the 60s.

Rains were reported at many Nebraska points with Broken Bow receiving 1.72 inches. Burwell reported one inch with Ewing reporting just over an inch. Rain in Lincoln amounted to .11, according to the Weather Bureau.

Omaha reported the state high of 68 Wednesday with a low of 33 reported at Scottsbluff.

Lincoln's high and low temperatures Wednesday were 67 and 59, respectively.

# Miss Mariel Gere Dies: Long-Time City Teacher

Miss Mariel Gere, 85, longtime teacher in the Lincoln schools, former head of the science department at Lincoln High School and daughter of the founder of The Lincoln Journal, died Wednesday.

Miss Gere

At the time of her death, she was a director of the State Journal Co. Miss Gere, her surviving sister, Frances, and a deceased sister, Ellen B. Gere, retained a 25% interest in the State Journal Co. through the estate of their father, Charles H. Gere.

Born in Lincoln June 2, 1874, she was educated in the grade schools and in the preparatory school, then operated in connection with the University of Nebraska.

**NU Graduate**

Miss Gere received her Bachelor of Arts degree from Nebraska University in 1895 and her Master's degree 3 years later. She taught science in Falls City High School and was an instructor in chemistry at the University of Nebraska for a time.

In 1901, Miss Gere joined the staff of Lincoln High, serving for a number of years as head of the chemistry department. She retired in 1941, after more than 40 years of service.

Miss Gere was author of "Outlines in General Chemistry" and other chemistry textbooks.

**Library Board**

She also was a member of the library board for 21 years, retiring from the board in 1939 in a written protest against board policies.

Miss Gere was a member of the American Chemical Society and the Holy Trinity Episcopal Church. She also was a member of the Lotus Club, Lincoln's oldest study club. Her mother was charter member in the club.

One of her hobbies was traveling. In 1934, she spent 10 months in Europe and 3 years later made a trip around the world.

Miss Gere lived at 2811 So. 24th.

She is survived by a sister, Frances of Lincoln; an adopted son, John and a niece, Mrs. Betty Hedlund of Estes Park, Colo.

# Paris Industrialist Begs Kidnaped Son's Return

Paris (AP) — Sleepless and haggard, a Paris father appealed Wednesday night for the return of his kidnaped 4½ year old boy, held for $100,000 ransom demanded of a rich auto making family.

"A father whose child has just been taken away is speaking to you," Roland Peugeot said in a nationwide telecast. "All of you who have children and love them will understand me."

With his son Eric gone more than 24 hours, the distraught father continued:

"My only care is to find him again safe and sound as quickly as possible. I have not made a complaint to the police. I formally promise to ask that the kidnaper should not be prosecuted."

**Sweeping Hunt**

Police flying squads were searching through Paris looking for a trace of the daring kidnaper who snatched the boy, grandson of millionaire Jean-Pierre Peugeot (pronounced Poo'zhoh), from a sandbox at a children's playground.

Ironically, the kidnaper sped away in a Peugeot car, leaving a note in the sandbox demanding $100,000. Police said the note threatened death for the boy.

It was the first Paris kidnaping in 11 years. The Interior Ministry ordered the head of national security forces, Jean Verdier, to take personal command.

**Carried Off**

A lanky, dark haired man boldly walked into the playground Tuesday afternoon, picked up the boy and walked away to where a confederate waited in a Peugeot sedan.

The apparently carefully planned crime shocked France, where kidnaping for ransom is rare. Legal authorities gave police investigating the crime full right of search and seizure without warrant.

The Peugeot family followed the kidnaper's instructions to stay away from the police. Associates said the family received telephone calls from the abductors Tuesday night and Wednesday morning.

One obvious conclusion was that ransom details were being discussed. There was no indication of any progress.

The kidnaper made his getaway without arousing immediate alarm.

The young boy, his 7-year-old brother and a few playmates were in the playground. A nurse and chauffeur were waiting outside, chatting in a car.

Roland Peugeot is 34 and director of the companies which his father heads. He went to Harvard University.

## Repair Work To Shut Two Streets

**Parts of two Lincoln streets will be closed to traffic through Friday and another, 17th, will be a two-way thoroughfare, police said Wednesday.**

**The other two, 16th from Holdrege to W, and 14th from Holdrege to New Hampshire, will be closed while the Missouri Pacific railroad tracks are being torn up.**

**The two-way traffic or 17th will be between Holdrege and North Side Ave., police said.**

## AUTHORITIES ASK MISS AADLAND BE MADE COURT WARD

Los Angeles (AP)—Authorities charged Wednesday that from the time Beverly Aadland was 12 years old "she has accepted dates with male adults and has engaged in numerous acts of sexual intercourse."

A petition seeking to have her made a ward of juvenile court said the 17-year-old Beverly, who was the late actor Errol Flynn's last girl friend, "is leading or in danger of leading a lewd or immoral life."

## BEATON'S TOP AIDE IS SEIZED

### . . . Newsmen Informed

**Havana (AP) — Troops under the personal command of Fidel Castro Wednesday claimed capture of a top rebel lieutenant and two other insurgents fighting in Castro's old guerrilla stronghold of eastern Cuba.**

Maj. Rene Vallejo Ortiz, chief of the Institute of Agrarian Reform in Oriente Province, told newsmen the second-in-command to Manuel Beaton, a former captain in Castro's forces, was seized in the mountains.

Beaton is reported leading a band of perhaps 50 men. He is operating in the Sierra Maestra, cradle of Castro's revolution against President Fulgencio Batista's dictatorship.

Vallejo said the 3 prisoners, who were unnamed, will be taken Thursday to Bayamo military headquarters, 60 miles west of Santiago.

## Stricken Girl, Mom Return

New York (AP)—A little Oklahoma girl stricken with deadly leukemia arrived Wednesday night from Rome where she had an unusual private audience with Pope John XXIII. Her mother said the experience had made her daughter "more contented."

Mrs. Marlene Hudson said she saved her money for about a year to be able to take her 7-year-old daughter, Catherine, to see the Pope.

"I lost my job and everything for this," said Mrs. Hudson, "but I am not sorry."

Doctors have given the child a year to live.

Catherine was stricken by another illness, meningitis, on her arrival in Rome on April 2 and spent 10 days in a Rome hospital. The Vatican paid hospital expenses, Mrs. Hudson said.

She said that when she left home they had only hoped to get a glimpse of the pontiff. Instead he gave them more time than he has given many world leaders.

## Distortion Is Charged By Benson

### . . . Against Demos

Washington (AP)—Secretary of Agriculture Ezra Taft Benson asserted Wednesday that farm issues and problems are being distorted by 3 Democratic presidential hopefuls.

Benson told a news conference he intends to do everything in his power to get the facts before the public in order to keep farmers and agriculture from being damaged in the public eye.

Under questioning, he listed the 3 candidates as Sens. John F. Kennedy of Massachusetts, Hubert H. Humphrey of Minnesota and Stuart Symington of Missouri.

**He Lists Them**

Reading from a prepared statement, Benson said the misleading claims being made include:

1. That all farm troubles can be blamed on the Eisenhower's administration farm policy.

2. That 17 million Americans go to bed hungry every night while food surpluses pile up.

3. That millions of farm people are being forced off the land by administration policies.

4. That the family-type farm is disappearing.

5. That the administration-opposed stamp plan would do a better job in feeding the hungry than the present plan of distributing food through state relief agencies.

**Says All Untrue**

Benson said all of the claims were untrue and were being made either because of a lack of information or in a move to distort the picture for political reasons.

Asked if he felt that Vice President Nixon should help refute any distortions he said "I don't feel the need of a lot of help right now." Nixon has been reported looking for a new approach to the farm problem. These reports have displeased Benson.

## 3 Dead, 60 Hurt In Funnel's Wake

Amarillo, Tex. (AP) — Rescue workers Wednesday counted 3 dead and as many as 60 injured as the result of a tornado which swept the little community of Sunnyside Tuesday night.

Twenty-five persons remained in hospitals.

The twister destroyed the Baptist Church where 75 persons were attending a meeting. Automobiles parked at the church were piled atop one another.

## Expedition Seeks Ancient Treasure

Amman, Jordan (AP)—A British expedition set out Wednesday in quest of a fabulous 200-ton hoard of gold and silver. According to writings in the Dead Sea scrolls, the treasure was buried more than 2,000 years ago in the wilderness between Hebron and Nablus.

The expedition headed by John Marco Allegro, archeologist and lecturer in Semitic languages at Manchest University, thus has an area 200 miles long and of undetermined width to delve into.

## B47 CRASH KILLS PAIR

Perrin, Mo. (AP)—Two men were killed Wednesday in the crash of a B47 Air Force bomber. Two others parachuted to safety.

The dead were Capt. Phillip R. Fisher of Forbes AFB, Topeka, Kan., and 1st Lt. Wayne F. Wellman, 26, of Schilling AFB, Salina, Kan.

Fisher, an instructor-pilot, was married and had two stepchildren. Wellman was a pilot taking advanced crew training.

The plane was based at Forbes.

## Tube Bender's Bomb Quip Not Funny After All

San Francisco (AP) — A neon tube bender was charged Wednesday with giving a false report that a bomb was on a United Air Lines jet carrying his wife.

The U. S. Attorney's office filed the charge against William A. Grant of Belmont, Calif. The FBI said the arrest was the fourth on phony plane-bomb reports in the past 7 days.

A UAL spokesman said Grant put his wife on a Los Angeles-bound DC8 Tuesday, then tried to take out insurance on her.

Frank Drummond, ticket agent at San Francisco International Airport, quoted Grant as saying "Well, I guess the bomb won't do any good then" after he was told Mrs. Grant's signature would be needed on insurance forms.

Mrs. Grant was removed from the plane and her baggage searched. The plane left 40 minutes late.

The UAL spokesman said Grant commented, "What's the matter, can't you people take a joke?"

## DARTMOUTH COLLEGE SELLS ITS BIG CATTLE RANCH IN NEW MEXICO

Hanover, N. H. (AP) — Dartmouth College has sold its big cattle ranch in New Mexico.

Sale of the 91,000-acre Diamond A Ranch near Wagon Mound, Mora County, N. M., was announced Wednesday by John F. Meck, College treasurer.

Robert O. Anderson of Roswell, N. M., confirmed acquisition of the ranch. More than 2,600 cattle were included in the sale.

The college acquired the property in 1958 as a bequest from the late Leon Williams of Wagon Mound, who was a member of the class of 1915.

The sale price was not disclosed.

# U.S. Lofts 'Transit' -- First Of Navigation Satellites

Washington (AP)—A navigation satellite designed to help submarines, ships and planes always know precisely where they are in any weather was sent orbiting around the earth Wednesday.

The experimental satellite is intended as the forerunner of a system of 4 globe-girdling spheres which will radio down a constant stream of information to be translated into the latitude and longitude positions needed by navigators.

The satellite — named Transit I-B—was launched by the Air Force for the Navy atop a two-stage rocket system at 7:03 a.m. from Cape Canaveral, Fla. Almost immediately success began to show when tracking stations in the United States, Newfoundland and England started picking up radio signals while the rocket was still climbing skyward.

That the satellite was in orbit was confirmed about 1½ hours later. As it soared in from the west the sphere was picked up by tracking stations in New Mexico, Texas and elsewhere after its first trip around the earth.

Several hours later, however, the Navy said the satellite went into an elliptical orbit instead of the planned circular one about 400 to 500 miles high. It said the satellite was orbiting as high as 479 miles and approaching 233 miles from the earth.

This, the Navy explained, means Transit I-B may be pulled back into the atmosphere and burn itself up in possibly 16 months instead of lasting the originally estimated half a century.

**Wealth Of Data**

For practical purposes, the experiment apparently was a success. The radio transmitter is expected to cease operations after only a few months. And in the meantime much valuable information should be obtained for use in perfecting the ultimate satellite navigation system.

The satellite is the eighth U.S. earth satellite now in orbit. Russia has no earth satellite currently aloft but has two satellites in orbit around the sun. U.S. Pioneer V also is in orbit around the sun.

Navy officials and scientists of the applied physics laboratory of Johns Hopkins University, which developed the Transit satellite, were delighted with the new launching.

**Test Version**

But they pointed out that this first such satellite is intended only to test out the launching, the 2 radio circuits, ground tracking stations and other equipment.

An earlier attempt at launching a Transit satellite was made last September, but the nose cone failed to separate from the launcher and no orbit was obtained.

The sphere sent up Wednesday weighed 265 pounds counting its chemical batteries and other test equipment. A Thor missile, with a 150,000 pound thrust, was used to launch it. Smaller, cheaper boosters can be used for the 50 to 100 pound satellites contemplated for the operating system.

The great advantage of the Transit system over conventional navigation methods such as celestial observations is that it can be used in any weather—day or night—by ships, submarines and airplanes. No longer must a ship wait until clouds clear away to find out where on the ocean it is located.

# Illinois Boosts Nixon's Stock

Chicago (AP) — Vice President Nixon, running unopposed and with little fanfare, plugged along with the leading Republican vote - getters in Tuesday's Illinois primary and approached President Eisenhower's 1956 total.

With nearly 300 precincts still unreported, Nixon has a total of 725,528 compared with Eisenhower's 1956 primary total of 781,000. In 1956, the President also was unopposed.

The showing was considered even more impressive since Nixon did not campaign in the state and did not have the benefit of any organized party effort to bring out the vote for him.

Nixon's total was second only to that of Democratic Sen. Paul Douglas who also faced no opposition but campaigned in most of the state's 102 counties.

# Apparent Low Bid For Work On Randolph Street, $151,000

Apparent low bids were $151,019.50 for the repaving and widening of Randolph from 27th to 48th and $93,983.50 for construction of the 56th and Holdrege bridge, city engineering officials said Wednesday.

Chambers Construction Co. was apparent low bidder on the Dead Man's Run bridge. Breakdown of the bid was $85,856 for the bridge; $3,665 for paving and storm sewer; and $4,462.50 for a temporary bridge and detour.

The Sanitary District and the city have agreed to equally share the cost of the Holdrege bridge plus two other proposed Dead Man's Run bridges: one at Vine and the other at Cotner, both estimated at $30,000 each.

**'Bottlenecks'**

They would replace present structures, termed "bottlenecks" in the recently-improved drainage channel.

Dobson Bros. Construction Co. was low bidder on Repaving District 186 for Randolph from 27th to 48th.

Abutting property owners will pay a share on a predetermined front-foot charge while the city will pay the additional cost of widening the arterial.

Engineering recommendations on the bids will go Monday to the City Council.

# Planners Deny Commercial Zoning Request For 77 Plot

The City-County Planning Commission recommended denial of highway commercial zoning of a 5-acre tract on Highway 77 approximately 2½ miles south of Lincoln following public hearing Wednesday.

Dahlberg Bros., owner and petitioner, proposed the site for an automotive garage and some car wrecking activities. They presently have a garage near 14th and Pioneers.

**The commission recommended against the requested change as constituting spot zoning and as opening the door to future business uses along the highway, thus permitting a condition that now exists along Cornhusker Hwy.**

At the request of the City Council, the commission considered several detailed plans for a supermarket and commercial center at 40th and South as proposed by Handy System Stores Inc.

**Vote Fails**

The commission moved to reaffirm its previous recommendation against expansion of business zoning in the area, but a 4-1 vote failed to have the required majority of 5 for action. (Four members of the 9-member commission were absent.)

**The matter will be taken up again at the commission's next meeting April 27.**

Other commission action, adopted by unanimous quorum vote, was:

—denial of two-family zoning requested by Earl Bottlinger for 3125 West Summit. The property is now zoned single-family.

—approved special permit, requested by Lucile Beighley for an addition to a nursing home at 904 Sumner.

—approval of a special permit to Meadow Lane Park Assn. for construction and operation of a community swimming pool at Meadow Dale Dr. and Lancaster La. Plans include parking facilities and screen plantings.

—preliminary approval of Randolph Terrace 4th Addition, a replat near Clark and F.

# Big Blue Pact Changed By House Action

Washington (UPI) —The House Interior Committee Wednesday approved a bill to authorize Nebraska and Kansas to enter into a compact of apportioning the waters of the Big Blue river and its tributaries.

The legislation was stripped of a provision which Rep. Wayne N. Aspinall (D-Colo) had contended "provides a fairly juicy plum for retired army officers."

As approved by the Interior Department and the Budget Bureau, the bill specified that the President should appoint a chairman of the negotiations. A retired military officer or civilian might be paid for the compact work in addition to retirement pay, up to a total income of $15,000 a year.

The committee struck this provision, and specified that the chairman must be a Federal employe who would receive no additional pay for his compact work.

The bill was sent to the House and, if approved there, will be returned to the Senate for consideration of the committee amendments.

# *Streamliner Kills 2 Boys*

Minneapolis (AP)—Two young brothers, tossing stones from a railroad trestle on an Easter vacation frolic, were struck and killed by a passenger train Wednesday. A third boy escaped death by falling to the ties and hanging on while the train sped past inches away.

The Great Northern's streamliner Red River, traveling 72 miles an hour, struck Dennis Ellis, 7, and his brother, Kenneth, 11, trapped between the rails 20 feet above Rice Creek in suburban Fridley.

Their companion, William Messer, 9, raced along the ends of the ties outside the tracks as the train bore down, then lay down and held on.

"I could hear the train whooshing past and the clicks of the wheels on the rails," William said.

The 5-car train raced past the terrified youngster in a matter of seconds. He was unhurt.

The train engineer, Arthur H. Emerson of St. Paul, slammed the air brake but there was no hope of stopping in time.

## 62-Year-Old Hurt In Bus-Truck Collision

William L. Rollf, 62, of 3236 No. 69th suffered minor cuts and bruises as the result of a bus-truck accident at 66th and Logan Wednesday.

A city bus, driven by Rollf, was in collision with a cement truck, driven by Darrol L. Dragoo, 26, of 4410 No. 7[illegible], police said.

# Kansas State To House Bureau On Wheat Reference

Nebraska wheat growers have established what is thought to be the first wheat reference bureau in the world at Kansas State University in Manhattan, Kansas.

Herbert J. Hughes, Imperial, Nebraska vice president of the Great Plains Wheat Market Development Association, announced the formation of the bureau Thursday. Hughes said the reference bureau is a project of the GPWMDA, which is supported by wheat growers in Nebraska, Kansas and Colorado.

Hughes said the first step in assembling material for the bureau will be a world-wide search for literature on wheat production and marketing. Data on supplies, utilization, prices, marketing patterns and related information will be collected.

# Take To The Road

By WILLIAM O. DOBLER

After reading Don Walton's series in The Star on the offerings of Nebraska for the outdoor-minded citizen, we expect to see a gigantic exodus to parts heretofore unknown to many of the people. In a sense we are only kidding as we are not so enamored with ourselves to think that we have such control over the thoughts and actions of readers.

But it is no joke when you say that a great many Nebraskans can be expected to take advantage this year of the things that lie practically in their own back yard. Some Nebraskans, the smart ones, have been doing this for years and those who have can tell you from experience that the state has a lot to offer. People have come back from Chadron, Fort Robinson and other state parks singing their praises as highly as the visitor to Wyoming, Colorado, South Dakota, Minnesota or some other well advertised state.

**Right Here At Home**

**But a word of caution is in order before we go any further on this subject. Don't load the family into the car early some morning and head blithely for a week in one of the state parks. If you did this during July or August, you might end up staying at a motel or hotel in the nearest town because most of the park accommodations are reserved already for this time of the year.**

May, June and September are not only good weather months but are the most likely times insofar as available space in the parks is concerned. Weekdays, of course, have less pressure than week ends. Information as to space and other matters can be obtained by writing the superintendent of the park in which you are interested.

★

For the one-day trip, Nebraska also has a lot to offer by way of scenic beauty, fishing, swimming, and boating. The state, however, does still have a long way to go. There are two things we lack—sufficient patronage and sufficient facilities. You might say that means everything but we do already have some of both and are working to improve both. As everyone knows, the State Game Commission is now on a set mill levy for its park development and operational program.

**This provides the department with the means by which it can carry out a well-planned program. While the .13 mill levy for 10 years is small, it is better than anything we have had in the past. And there is always the hope that the Legislature will see fit to increase this amount. State parks and recreation areas should see a vast improvement over the next 10 years and there will be no question of it if this levy can be hiked within the next year or two.**

★

If you wonder whether it is worth it or not, you can find your answer in some of the figures presented in the last issue of Outdoor Nebraska, monthly publication of the Nebraska Game, Forestation and Parks Commission. One article pointed out that incomplete data shows a $17 return in license funds for every advertising dollar invested by Nebraska last year.

**And Nebraska is spending darn little to promote its wares to eager tourists. The state has $30,000 for the present biennium for this purpose while Wyoming, for example, spends $325,000 a biennium for the same thing. In addition to license funds returned, the state has the benefit of what the hunter, fisherman and tourist spends while he and, in many cases, his family are in the state.**

A little history in Outdoor Nebraska also shows us what kind of a harvest there is for those who go out after it. In 1945, the 39 states conducting park programs spent approximately $10.5 million on their parks and showed an annual visitation of about 57.5 million people. By 1958 all states, not including Alaska and Hawaii, spent over $73 million on parks for more than 237 million visitors. The 1959 figures are expected to show a further increase in both categories. Nebraska's budget estimate for the current year for parks, recreation and other projects is $430,513 and visitations to parks only in 1959 totaled 635,742.

**Business Was Good**

The commission publication also notes that it is important that local groups do their part in building up and advertising their own parks and historic attractions. Lincoln has a number of projects under way at this time which will be a big assistance in this program if they all materialize. The public is very much involved in patronage of their own facilities and in backing improvement programs.

# The Topic Of Grave Digging

According to the Wall Street Journal spring farm auctions in Iowa are 50 per cent more than a year ago, and it described the exodus of farmers as "reminiscent of the dust bowl days of the '30's."

The portentous difference is that it was non-production and poor prices which depopulated the farms of the Midwest during the early thirties. This time the exodus is occurring amidst plenty, although again with poor prices.

A national farm population of 32.4 million in 1933 is now down to 21.2 million.

This brings into critical review several strongly held principles of the national administration. One of them is that there are too many farmers. The implication is that if a few million more leave the land the farm problem will correct itself. This is, indeed, a serious but proven fallacy. The Wall Street Journal points out that the decimation of the farming population has been accompanied by an increase in production and consequent mounting surpluses. This closes out the depopulation argument and introduces a new detrimental factor. As population goes down and production goes up, business and the smaller communities languish. This is a vicious circle that may well, if projected far enough, vitiate the taxing structures of states and bring an end to regional sovereignty.

The administration theory that austerity will rid agriculture of its poor operators is equally false. This is a narrow view which de facto defines the good operator as the one of sufficient wealth to ride out the storm and gain possession of more land through the misfortune and loss of his neighbors. It means that the man who owns or inherited his farm can last a little longer than the man who is trying to bear the added burden of buying his farm. This is a phenomenon that has nothing to do with efficiency and what it is actually doing is erecting a barrier that will prevent either good or bad future operators from becoming a self sufficient, land owning class.

But perhaps the most dreadful mistake of the administration is its determined liquidation of the property owning American. Agriculture has been one of the last great refuges of the propertied and they are the nation's greatest defense against socialism or fascism.

# Rockefeller Is Right

New York's Governor Nelson Rockefeller was quick enough to take the Republican party's hint to stay out of the way of Richard Nixon's presidential aspirations but he still hasn't learned not to talk out of school.

It was only a short time ago that President Eisenhower went to South America and politely told those people not to expect anything more than in the past, which has been virtually nothing, in the way of aid in upgrading their way of life. It was the most utter do-it-yourself speech of the year.

Now comes Governor Rockefeller, not long back from Latin America, to outline a five point program for hemisphere unity, political and economic. He warned that the United States faces a formidable challenge being delivered by Red China and other Communist interests—a challenge aimed at diverting Latin America into the Red sphere of influence.

He advocated, (1) a joint effort to raise Latin American living standards, (2) development of imaginative inter-American programs to meet social problems, (3) achievement of increased mutual understanding, (4) more frequent meeting of American ministers of state and (5) political unity.

It was all well said and showed Governor Rockefeller to be sensitive to a changing world, and brave enough to make adventures for the betterment and security of the western society.

Many may brand his plan as visionary. But this much is certain, the good governor is willing to learn by doing and that is infinitely better than standing still while the world passes by. There is no virtue in donothingism except as an example of how to get back to the stone age by the shortest route. World leadership is not a trophy, but a relationship which lasts only so long as the holder can stay out in front.

# A Questionable Stand

Amid the growing concern of Nebraskans over the industrial growth of the state, one constantly hears reference to the idea of property tax relief for new industry. The latest advocate of this theory is Robert Conrad, Democratic candidate for governor. His stand is not without a great deal of logic to its credit but, unfortunately, there is another side to the issue.

Regardless of how it is done or its extent, a tax benefit to anyone is a form of cheating to which we cannot subscribe. It can and is argued that such a benefit brings new sources of taxation into the state which greatly exceed the amount of the initial exception. The people who would work for this new industry become homeowners and a part of the tax base. Also, the industry becomes a part of the tax base after its period of exemption expires, as Conrad's and others' plans would have it.

But there is a fundamental fallacy in this reasoning which makes the program unacceptable. Taxation never was and never should be considered as a tool for the manipulation of an area's economy. More people would buy homes, too, if they were tax-exempt and home-ownership is a lofty objective, but we would be defeating our own purposes if we carried out such exemptions.

If you could remove all taxes and still have a government, there is no doubt that Nebraska would be the biggest and most prosperous state in the country. There wouldn't be enough room in the state to hold all the people who wanted to come here. We all know, however, that this is an impractical dream because government cannot operate without taxes. And the history of taxation shows that the minute you take away its universality and impartiality, evil begins to creep in. Tax exemption for new industry is nothing more than saying that a little badness or unfairness is acceptable if it has a worthwhile effect.

How existing industry and all others who now pay their fair share of taxes could subscribe to an exemption plan for others is beyond our comprehension.

*"Who Would Have Thought That The Revolution Contained So Many Traitors?"*

DREW PEARSON

## Dissident FPC Member On Way Out

WASHINGTON — The congressional spotlight this week will be focused on "Tommy The Cork" Corcoran, the Roosevelt brain trust-er who though an out-in-the-cold Democrat was able to influence the Republican-appointed Federal Power Commission.

However, the real story, which will not be in the headlines, is the backstage maneuvering to oust one man from that same commission after he stopped the biggest natural gas price hike in this century.

He is William Connole, vice-chairman of the FPC, an Eisenhower appointee, who is now being eased out by Ike at the secret behest of Sen. Prescott Bush, Connecticut Republican. Connole also comes from Connecticut where he has a long record of protecting the consumer which he has continued in Washington. Ordinarily, the senator from any state is all too anxious to have a man from his state reappointed. However, it happens that Senator Bush's son is president of a gas and oil company which is linked with the four gas-oil companies whose price hike commissioner Connole helped to block. Connole will soon be looking for a new job.

**The inside story of what happened is complicated. But it involves millions of dollars saved to millions of gas consumers and millions in profits denied to four companies. It also involves the very same gas fight in which Tommy The Cork made headlines.**

Finally the story involves an astute move by the White House to appoint Harold Baynton, No. 1 assistant of Sen. Warren Magnuson, chairman of the potent Senate Commerce Committee, to fill Connole's place on the power commission. Baynton is an old Truman appointee, a loyal Democrat, and an able public servant. The White House figures that his appointment to replace Connole will quiet Democratic protests.

When the secretary to GOP Sen. John S. Cooper (Ky.) was informed that her boss might be blacklisted by Teamster Leader Jimmy Hoffa, she remarked: "Well, that's one guy we'll never sue for nonsupport." . . . . Said Democratic Rep. John Dent (Pa.) to 1,200 admirers helping to celebrate his 25th anniversary in politics: "Today I am cutting a cake. Twenty-five years ago I was cutting capers." . . . . Rep. John E. Fogarty of Rhode Island, considered by colleagues the leading congressional authority on medical research, still likes to do a little spare-time bricklaying, his occupation before coming to Congress 20 years ago.

## Distaste For Nixon Unifies Democrats

WASHINGTON — The Democratic party is showing the stress and strain of two divisive issues — civil rights and religion — but one strongly unifying influence remains constant. It is intense personal dislike of the still-probable Republican presidential nominee, Vice-President Richard Nixon.

**Beginning about 1937 and through 1952, Republicans, whatever their ideological differences, could generally agree that Presidents Franklin Roosevelt and later Harry Truman, were anathema to all right-thinking Americans. It was a valuable asset, as a personal villain has always been to any party in a general election.**

Republicans might and often did quarrel bitterly about their own candidate for president, a quarrel which persisted through the Chicago convention which named General Eisenhower in preference to the late Sen. Robert Taft. But the general and the senator had in common anti-New Deal and anti-Fair Deal convictions which soon brought them together at Morningside Heights for the purpose of winning the election that November.

☆ ☆ ☆

**In keeping with his temperament Eisenhower pretty much withheld his own hand from Roosevelt and Truman personally, though he soon acquired a positive dislike of Truman which persists until today.**

Now the vice-president is taking the high road and resisting all right-wing efforts to push him back to the old flamboyant days when Democratic presidents "started a war they lacked the will to win" and were "soft on Communism" to the point of treason.

Nixon's new course no doubt reflects his political judgment that the old issues and old hates are worn out. Most political observers think they are and that a truly historic change will set in after the votes are counted next November.

Yet Nixon's party is politically realistic, too, when it looks for some substitute to aim at the glands of the voter and so overcome its minority status. The problem did not arise in the same terms in 1956; Eisenhower was the incumbent president and circumstances served him in his old image of the war hero who could avert new wars.

☆ ☆ ☆

**It is widely agreed that the present crop of Democratic candidates for president do not lend themselves to hating. They may have handicaps of geography, religion or even ideology, but nobody really hates Adlai Stevenson or Sens. John Kennedy, Hubert Humphrey, Stuart Symington or Lyndon Johnson. The time is short for teaching anyone to hate them and what they appear to stand for, even if any large number of Republicans wanted to try.**

But nobody has to persuade the great mass of Democrats that the vice-president is not their cup of tea; they are already converted, and by him. They are joined by many independents; there are few signs to indicate even slight inroads by the new Nixon in this quarter.

CHILDREN OF THE BIBLE

# Gideon

*". . . and his son Gideon threshed wheat, by the wine-press, to hide it from the Midianites."*

*—Judges VI:11*

An angel of the Lord appeared to Gideon as he cautiously threshed wheat beside the winepress so that his family's Midianite enemies would not see him.

Gideon asked: "Oh my Lord, if the Lord be with us, why then is all this befallen us?" He meant, why had God permitted the Midianites to reduce the children of Israel to a state of poverty and fear.

It was then that God revealed to the youth the destiny that was his. "Go in this thy might, and thou shalt save Israel from the hand of the Midianites: have not I sent thee?"

But young Gideon could not immediately believe in his own importance.

"Oh my Lord," he said, "wherewith shall I save Israel? behold, my family is poor in Manasseh, and I am the least in my father's house."

As a sign that Gideon had found favor in his sight, God told him to prepare an offering of a stew and unleavened cakes. When these were poured upon a rock beneath a huge oak tree, "the angel of the Lord put forth the end of the staff that was in his hand, and touched the flesh and the unleavened cakes; and there rose up fire out of the rock, and consumed the flesh and the unleavened cakes."

One of the first tasks which God assigned Gideon was to tear down the altar to Baal, a heathen god, which his father had built in a grove near their home. Gideon was told also to cut down the grove.

Fearing that he would be caught and probably killed if he carried out his mission by day, Gideon accomplished it under the cover of darkness.

"And when the men of the city arose early in the morning, behold the altar of Baal was cast down, and the grove was cut down that was by it."

Thus the boy chosen by God began a career in which he became a prophet, a brave military leader, and a judge.

### *Easter Seal Drive*

Lincoln, Neb.

On behalf of the Lancaster County Committee for Crippled Children, our most sincere thanks to the hundreds of volunteers who gave of their time and efforts to help make our Easter Seal campaign a success. Thanks to the many who typed addresses and stuffed the Easter Seal letters; to those who spent hours doing volunteer telephoning; and to those who served as captains and paraders in our door-to-door campaign.

A special thank you to the group of girls who served as Easter bunnies, to the Varsity Theater which showed the cartoons, to the newspapers and the radio and TV stations for their valuable publicity.

We appreciate the time the husbands gave in baby-sitting, parading, or delivering materials. We certainly are not overlooking the splendid co-operation of the staff members of the First Continental National Bank and the First Federal Savings & Loan Association. It is wonderful to know that so many people are willing to give of their time to help others. Many crippled children and adults in this county will have occasion to appreciate the services and donations of all who contributed.

## Labor-Savers Monopolize Most Of A Woman's Time

NEW YORK — Our society has ruthlessly — at best, unthinkingly — handed down to the American woman a curious life sentence: education plus hard labor.

Before marriage, she is trained to think.

After marriage, community pressure forces her to work. And the more so-called "labor-saving devices" she has, the longer hours she is expected to work.

"And you can't hold a book and a baby at the same time, nor can you hold a book and a vacuum cleaner at the same time," says Dr. Margaret Mead, one of our top sociologists. It is a strange anomaly, Dr. Mead says — this matter of owning "labor-saving devices."

**"They save your back but they take all your time. In the days when we had servants and less efficient washing machines, the servants did the family wash once a week. Now that we have good washing machines and no servants, the housewife washes clothes once a day.**

"The better the gadget, the more you work it."

The long hours she spends over hot push-buttons gives the American woman a sense of guilt about her education. She feels she should be thinking more. Even if she has a job, Dr. Mead points out, it usually is "a job below the level of her education," thus doing little to absolve her guilt.

However, if she provides herself with leisure time to think and read and study, she is equally guilty. "Idleness is a taboo in this country. So is daydreaming."

This should not be. Dr. Mead points out that the foundations of a woman's womanliness are formed in childhood. These memories are the mental images she carries into adult life—shaping her thoughts and attitudes.

**If she can bring these memories — "which are her daydreams" — into focus after she is married, she will have a sense of security. But life moves too fast.**

"She has severed — out of a loving, dutiful desire to be a good wife and mother —many of the deeper roots which bound her as a child to the natural world around her, to the wider world, to God.

"Without a sense of security in the past, she clings too closely to the present, dreads her children's growing up, her husband's aging. Having learned throughout her life to be a woman, she now forgets that she is also a person and has a tradition and background as a person."

Life is just too busy, with those do-it-yourself time-savers that consume a woman's day. It is interesting to stop for a moment and wonder: whatever happened to that precious time a woman used to devote to shelling a bag of peas . . ?

# Easter Pageant Presented At Bethany Christian

By Roger Wait

An excellent performance of "The Cross Triumphant" was given Wednesday evening at Bethany Christian Church. It was the 24th annual presentation of the Easter pageant.

Although no actor portrayed Jesus Christ, it was very effectively conveyed to the church-filling audience that He was the central figure of the drama. The historical circumstances which led to His condemnation by Pontius Pilate, Crucifixion, Resurrection and Ascension were faithfully portrayed in the hour and a quarter-long pageant.

The massive cast of 60 adults, 60 children, and 30 soloists, choristers, instrumentalists and actors were welded coherently into the drama by directors Mrs. Farel Hyland and Mrs. Helen Cox.

Don V. Mills narrated resonantly. Gerald Price and Esther Price lent conviction in their descriptive solos.

The opening processional of church children waving palm fronds was touching; they sang "Jerusalem" clearly and convincingly.

Superbly effective were the Crucifixion and Resurrection scenes and the accompanying sound effects electrified the audience. The laments of Mary carried the pageant to a poignant close.

Written by Mrs. Faythe K. Leavitt, the pageant will be presented again at 8 p.m. Friday and 5 a.m. Easter Sunday.

## Political Fair Set At Douglas County

Omaha (UPI)—Democratic candidates, running for their party's nod from the county level to the U.S. Senate, have been invited to a Douglas County Political fair here April 27.

Ephraim Marks, chairman of the County Democratic Central Committee, said Wednesday night all candidates for the senatorial and guberfatorial nominations have been asked to speak at the evening rally. Others have been urged to set up campaign booths, he said.

## BOILER BLAST TAKES 2 LIVES

Houston, Tex. (AP) — A boiler explosion killed two men Wednesday at the Crown Central Petroleum Corp. refinery on the Houston ship channel.

About 10 other workers were injured.

An investigator said a condensate drum about 18 inches in diameter and 4 feet in height exploded.

"The top of it smashed into a water boiler and that also exploded," he said.

## 7 Crewmen Hurt In Tanker Blaze

New York (AP) — The oil-laden Dutch tanker Astrid Naess reported late Wednesday a fire in her engine room in which 7 crewmen were burned was "under control and finished." The tanker was about 200 miles east of Cape Henry.

The ship's master reported the 7 men had been treated for their injuries in accordance with radioed instructions from the U.S. Public Health Service Hospital at Norfolk.

The injured crewmen were transferred to the British freighter Ocean Monarch.

## Long-Time Deputy To Take Municipal Court Clerk's Post

Roy Butterbaugh will take over as clerk of Lincoln's Municipal Court on May 1.

Butterbaugh has served as deputy clerk since 1928 under Leland M. Towle, who is resigning because of ill health.

Lincoln's first Municipal Judge, E. B. Chappell, now an associate justice of the State Supreme Court, offered Butterbaugh the clerk's post in 1928 but he declined. Butterbaugh says he felt at that time he did not have the experience that Towle had in legal matters.

The clerk is appointed by the municipal judges for the term they are in office. It has been the custom, however, to reappoint the clerk.

Butterbaugh was graduated from the Lincoln Business College in 1923 and became deputy clerk two years later when the court was established. He also had served as secretary to former Police Chief Peter Johnstone and started the police fingerprint files.

A native of Fairmont, he is married, has one daughter and two grandchildren.

Don L. Nichols, 30, of 4111 So. 44th will replace Butterbaugh as deputy clerk.

# Sentence Of Scottsbluff Man Cut

The Nebraska Board of Pardons and Paroles decided Wednesday to free a 69-year-old Scottsbluff man who was convicted of first degree murder in 1946.

The board commuted to May 1 the sentence of Columbus Trimble, who shot and killed a man in 1945 during an altercation over a dice game. The board had earlier commuted his life sentence to 30 years.

The board also commuted the 25-year sentence of Carl Bailey, 54, of Plattsmouth, to begin a 10-year term for escape.

Bailey entered the Penitentiary in 1943 for breaking and entering and grand larceny. In 1947 he escaped from a prison farm, and as a result was convicted of robbery and escape.

Nine other prison inmates and two inmates of the women's Reformatory were granted paroles, effective immediately. The board will hear cases of 12 parole applicants in the Men's Reformatory Thursday.

The board is composed of Gov. Ralph Brooks, Secretary of State Frank Marsh and Atty. Gen. Clarence S. Beck.

Paroles were granted to the following, including crime, county where convicted, term received and date of entry into the institution:

**Women's Reformatory:**

Dolores Jean Martin, 22, Kansas City, Mo.; no-account checks and violating bench parole, Douglas, 3 years, July, 1958.

Mary Smith, 23, Scottsbluff; grand larceny, Scotts Bluff, 1-2 years, April, 1959.

**Penitentiary:**

Raymond W. Johnson, 19, Brady; robbery, Buffalo, 3 years, October, 1958.

John J. Kalkowski, 31, Omaha; burglary, Douglas, 5 years, October, 1957.

Carson B. Nixon, 32, Abilene, Kan.; burglary, Douglas, 8 years, October, 1957.

Joseph Daniels, 27, Omaha; no-account checks, Douglas, 5 years, December, 1957.

Harvey Jackson Jr., 30, Omaha; burglary, Douglas, 3 years, November, 1958.

Michael Salerno, 23, Omaha; rape, Douglas, 10 years, April, 1956.

Koskas Janouskas, 29, Omaha; burglary, Douglas, 5 years, May, 1958.

Michael Whitechat, 22, Honolulu, Hawaii; auto theft, Lancaster, 1 year, June, 1957. He entered the Reformatory in 1956 on a burglary conviction, but after an escape was sent to the Penitentiary in 1957 to finish that sentence, and to also serve one year each, consecutively, for escape and auto theft.

Charley Smith, 34, Oklahoma; no-account check, Scotts Bluff, 5 years, December, 1957.

Bids totaling more than $700,000 for four projects were approved Wednesday by the University of Nebraska Board of Regents meeting in Omaha.

Included were these projects:

—Stage II of the remodeling of Nebraska Hall, including the basement and east one-third of the first and second floors, housing the printing and duplicating departments, University Pres, and Computer Center; general contract, George Cook Construction Co., Lincoln, $209,938; mechanical, Newberg and Bookstrom Plumbing and Heating Co., Lincoln, $188,659; and electrical, Commonwealth Electric Co., Lincoln, $102,600.

—Renovation of quarters on the College of Agriculture campus for the department of veterinary science; general, M. W. Anderson Construction Co., Lincoln, $79,450; heating, Newberg and Bookstrom, $43,068; plumbing, Reinhardt Brothers, Lincoln, $12,694; and electrical, ABC Electric Co., Lincoln, $14,300.

—5,677 square yards of floor covering for Nebraska Center for Continuing Education at College of Agriculture; floor covering, Brandeis Department Store, Omaha, $45,126; pad, tack strip, and crome grip, Union Outfitting Co., Omaha, $3,953; and installation, Brandeis, Omaha, $8,683.

—Demolition of Grand Hotel building, 12th and P streets, American Wrecking Company, Omaha, $8,940.

Other action:

The board appointed John Latenser and Sons, Omaha architects, to develop plans for renovation of areas in the University Hospital and for central air-conditioning units for the University Hospital and College of Medicine.

The board also hired the Lincoln architectural firm of Hazen and Robinson to provide architectural services for the designing of the Nelle Cochrane Woods Building, which will adjoin the proposed Sheldon Art Gallery on the Lincoln campus.

The Board approved plans for the removal of Rosa Bouton Hall at 420 No. 16th, Lincoln. Business Manager Carl Donaldson reported that the old frame dwelling is no longer in use and is in need of expesnive repairs. The frame home housed offices of the women's organizations, which are now located in the Nebraska Union.

## NU Accepts $700,000 In Gifts, Grants

The University of Nebraska Board of Regents accepted $700,300 in research and training grants, fellowships, and gifts in its meeting Wednesday in Omaha.

Among the grants were:

—$303,930 from the department of agriculture and inspection of the State of Nebraska for research by Dr. J. H. Lonnquist, department of agronomy, for breeding high amylose hybrids for industrial utilization.

—$60,245 from the U.S. Public Health Service for a pilot screening treatment unit for mentally retarded under the direction of Dr. Cecil Wittson, department of neurology and psychiatry.

—$27,000 from American Chemical Society for research by Dr. Henry Holtzclaw, department of chemistry, on "Chemistry of Metal Chelate Compounds."

—$9,852 from U.S. Atomic Energy Commission to continue the work of Dr. William J. Arnold, department of psychology, on the "Effects of Cranial Irradiation on Psychological Processes in Rats."

—$96,000 from the National Science Foundation for the purchase of high speed computing equipment and the establishment of a Computing Center.

## Chairman Of NU English Department Named Educational Magazine Editor

The chairman of the English department at the University of Nebraska, Dr. James E. Miller Jr., has been named editor of one of the nation's largest and most influential specialized educational magazines, College English.

College English serves college teachers of English throughout the United States.

Dr. Miller, who replaces Frederick L. Gwynn of Trinity College, Conn. as editor, will continue in his position as chairman of the University's department of English.

Dr. Miller, who has been with the University of Nebraska for 7 years, received national recognition when he won the Walt Whitman award in 1957.

His major publications include "A Critical Guide to the Leaves of Grass," "The Fictional Technique of Scott Fitzgerald," and the editing of "Walt, Whitman, Complete Poetry and Selected Prose."

## Pleads Innocent Of Sodomy Count

Frank Friend of 546 So. 6th pleaded innocent Wednesday in County Court to a sodomy charge.

Friend, 71, is charged with having unnatural sexual relations with a 17-year-old Lincoln boy between July 1-31, 1959.

Judge Herbert A. Ronin set a preliminary hearing for Apr. 20 and required a $3,000 appearance bond

# NU Regents Promote 14 Faculty Members To Full Professor

Fourteen faculty members were promoted to full professor by the University of Nebraska Board of Regents, meeting in Omaha Wednesday afternoon.

In addition, the board appointed Prof. James Blackman, of engineering mechanics, as assistant dean in the College of Engineering and Architecture. The assistant deanship has been vacant since 1957. Professor Blackman, a member of the University staff since 1941, will also continue with his teaching and research assignments.

The board also appointed Dr. Aubrey L. Forrest, formerly of Lincoln, director of student financial assistance and assistant to the dean of student affairs. Dr. Forrest, son of the late Dr. Leland Forrest, who served as president of Nebraska Wesleyan University, will be in charge of the university's student loans, scholarships and work scholarships.

Dr. Forrest is now assistant scholarship director of the National Merit Scholarship Corporation at Evanston, Ill.

The board appointed Dr. John H. Pazur, a member of the staff since 1952, as acting chairman of the department of biochemistry and nutrition. He succeeds Dr. R. E. Feeney, who recently resigned from the staff to accept a position in California.

Associate professors who were promoted to full professors are:

J. K. Matsushima, animal husbandry; Mogens Plum, dairy husbandry; Ralston J. Graham, experiment station; Gerda Petersen and John Weihing, both agricultural extension; James H. Looker, chemistry; Stanley Ross, history; Saul Epstein and Edward Zimmerman, both physics; Manfred Keiler, art; Robert J. Cranford, journalism; Richard M. Bourne and Robert H. Cole, both business organization and management; and Norman Thorpe, secondary education.

**Assistant professors promoted to associate professors are:**

Robert M. Hill, biochemistry; Norman Underdahl, veterinary science; Gordon A. Gallup, chemistry; Louis Crompton and Oscar Mandel, both English; Lloyd Teale, romance languages; Robert Beadell, music; Donald O. Olson, speech; Arvin R. Riveland, civil engineering; Richard Harnsberger, law; William D. Angle and Robert S. Long, both internal medicine; Hilton A. Salhanick, obstetrics and gynecology; George Alliband, opthamology; Morton H. Kulesh and Milton Simons, both pathology; George J. Klok, pediatrics; Phil H. Rueschhoff and Joe Zafforoni, both elementary education; and Lillian Castner, physical education for women.

**In other action, the board:**

—Authorized Jack G. McBride, director of University Television, to accept a consulting position for development of educational television in the State of Maine. McBride will prepare a complete survey of educational television possibilities for the University of Maine and the State of Maine.

—Authorized Dr. Norman H. Cromwell, professor of chemistry, to serve as a member of the Panel of Medicinal Chemistry Consultants in the U.S. Public Health Service.

—Named the following staff members to the graduate faculty: Wallace E. LaBerge, entomology; F. G. Teubner, horticulture; Nicholas Babchuk, sociology; Robert Beadell and Emanuel Wishnow, both music; E. David Cronon, history; Bernard Harris and Donald W. Miller, both mathematics; Richard Videbeck, sociology; John W. Weymouth, physics; Richard M. Bourne and Phillip McVey, both business organization; Gerald E. Thompson, economics; J. W. Holl, mechanical engineering; Edmund O. Belsheim, Frederick K. Beutel, and David Dow, all law; Anthony J. Barak, biochemistry; V. Lyle Von Riesen, microbiology; and Robert E. Stake, educational psychology.

—Accepted the resignations of Erik C. F. Jensen and Ronald H. Sims, both associate professors of architecture. Jensen, who is now on leave in Denmark will remain in his native land. Sims will return to England to continue private practice.

—Appointed Dr. John Christopher, who is at present assistant professor at Sacramento State College, as director of the new Computing Center which will be established this fall. He received his Ph.d from University of Oregon in 1952.

—Appointed Patrick Horsburgh, who is city planning director at Hamilton, Ontario, as associate professor of architecture.

## Polio Shot Clinics Set Next Week

Summertime is polio time and springtime is polio shot time. To ward off the dread disease, Lincolnites of all ages will be able to get their shots Monday and Tuesday.

Clinics have been scheduled for 6:30 to 9 p.m. on those days at Lincoln General and Bryan Memorial Hospitals and the University of Nebraska Student Health Center. A one-day clinic has been set for 6:30 to 9 p.m. Monday at St. Elizabeth Hospital.

Co-operating in the clinics will be hospitals, the Medical Lincoln-Lancaster Society auxiliary and similar organizations, according to Dr. Paul Bancroft, medical society president, and Mrs. Eber Tice, Lincoln PTA council vice president.

## Who's On First? Can't Locate Car

Police say the man must have been confused.

They received a report Wednesday afternoon from a Lincoln man that his 1951 Dodge had been stolen from where he had parked it on 18th between P and Q.

Police checked the area and located the car parked on 20th between P and Q where the man actually had left it.

And one more thing. It was a 1953 Dodge, not a 1951 Dodge.

## Yank Comic Dies

# Dean L. W. Lancaster Retires From NU Staff

Dr. Lane W. Lancaster, one of the University of Nebraska's foremost scholars and first winner of the University Foundation distinguished teaching award in 1954, will retire from the staff this June.

His request for retirement was approved Wednesday by the Board of Regents.

DEAN LANCASTER

**From almost the moment he taught his first class in political science at the University in 1930, Dr. Lancaster achieved the enduring reputation of the excellent and well-remembered professor among Cornhusker students.**

After brief assignments as a high school teacher in Indiana, Ohio, and West Virginia, Dr. Lancaster began his career of college training at the University of Pennsylvania, where he received his Ph.D. degree in 1923. He had completed his undergraduate work at Ohio Wesleyan and received his Master's degree from the University of Illinois.

He came to the University of Nebraska from Wesleyan University, Middletown, Conn., in 1930 as a professor of political science. His field initially was state and local government but he later devoted his major attention to political theory.

Twice he has served as chairman of the political science department and has accepted several invitations to serve as visiting professor or a summer sessions staff member at various institutions including Yale, Northwestern, the University of California at Berkeley, Penn State, Syracuse, the University of Alabama, and the University of Hawaii.

Dr. Lancaster has made extensive contributions to the literature of the political science field. The 3rd volume of his comprehensive series, "Masters of Political Thought," was published last fall in England and this spring in this country.

At the close of the current term Dr. and Mrs. Lancaster will sail for Europe and upon their return next fall expect to make their home in the Bay area of California.

## Friday Services Slated At LAFB

"The Words From The Cross," will be presented at Good Friday services from 1 to 3 p.m. at the Lincoln Air Force Base Chapel.

The following ministers will discuss the various words:

The Rev. William P. Keefe, director of Christian education at Westminister Presbyterian Church, "Pardon;" the Rev. Arthur L. Slaikeu, pastor of First Baptist Church, "Loneliness;" the Rev. Clifford S. Fisher, pastor of the First Nazarene Church, "Human Need;" the Rev. William F. Puls, parish visitor of Westminister Presbyterian, "Love;" and the Rev. Warren C. Swartz, pastor of St. Mark's Methodist Church, "Triumph."

LAFB Chaplains Thomas M. Groome Jr. and Eldon R. Smith Jr. will discuss "Forgiveness" and "Reunion," respectively.

Holy Thursday communion services will be held at 7:30 p.m. Thursday.

# Local Bus Line Asks 5c Hike To VA Hospital

The Lincoln city bus line Wednesday presented its case to the Nebraska Railway Commission on a request to increase the fare 5 cents between Cotner and O Streets and the Veterans Hospital.

John R. Doyle, attorney for Lincoln City Lines, Inc., and Joe Schleckmann, the firm's transportation superintendent, testified before Hal Hasselbalch, commission examiner. There was no opposition.

They said a traffic count and cost figures on the route show that the increase would be justified.

If approved, bus passengers headed for the hospital would pay the regular 15-cent fare, and pay an additional 5 cents before getting off the bus at the hospital.

Passengers boarding at the hospital would pay 20 cents no matter what their destination might be.

Passengers to and from the Bankers Life Building will not be affected.

Hasselbalch said the commission may have a decision on the request within a week. The commission recently allowed the bus line to discontinue tokens, increasing the regular fare from about 13 cents to 15 cents.

## Russ Cows Need Hay

Moscow (AP) — Pravda correspondents have found considerable loss of cattle from lack of fodder during an unusually severe winter in the virgin lands of Kazakhstan, the Communist Party newspaper reported. Winter cattle deaths have long troubled this problem agricultural area, but Pravda noted that while sheep alone had increased by 11 million since 1954, the production of hay for winter fodder had gone down 225%.

# U.N. Snub By De Gaulle Seen

United Nations, N.Y. (AP) — The UN is buzzing with reports that French President de Gaulle is going to snub the world organization on his forthcoming visit to New York.

There has been no official announcement but informed quarters said de Gaulle has turned down an invitation from Secretary General Dag Hammarskjold.

The ill feeling of the French leader toward the U.N. has been made clear in the past. He would be the first head of a major nation to visit New York without calling at the U.N.

The secretary general acknowledged last month that he had approached de Gaulle on the matter, as he does whenever any chief of state is coming to New York. He later said he had received a reply, but declined to say what it was. Informed sources said it was a rejection.

France's relations with the U.N. have been bad for years, but de Gaulle is understood to have even stronger personal reservations about the world organization than preceding French leaders.

France contends the U.N. has persistently meddled in its internal affairs.

## Insurance For Oldsters Increasing

### . . . Senators Told

Washington (AP) — A panel of insurance company excutives testified that health insurance coverage for old people has been growing fast in recent years.

They gave their testimony to the Senate subcommittee on problems of the aged. What they said amounted to an argument for leaving the medical care problem in private hands, rather than turning it over to the government to be financed with tax dollars.

Ardell T. Everett, vice president of the Prudential company, said:

"Voluntary health insurance has both the capacity and the will to provide the aging and the aged with a sound and economic means of paying their health care expenses."

Richard R. Shinn, vice president of the Metropolitan Life Insurance Co., said that as of Dec. 31, 1958, 60% of those covered under group major medical insurance would have their coverage continued after retirement. He said employers pay the cost for about 70% of this group.

## Lancaster Legion Women To Meet

The 32nd annual convention of the Lancaster County American Legion Auxiliaries will be held at Huskerville Monday.

Units from Bennet, Davey, Firth, Hallam, Hickman, Huskerville, Lincoln and Waverly will attend. Mrs. W. Strabel of Elmwood, District 12 president, will adress the convention.

## Domain Prize To NWU Fraternity

The Nebraska Wesleyan University chapter of Phi Kappa Tau fraternity earned scholarship and achievement awards in domain competition this year, Domain Chief Warren H. Parker said Wednesday.

These new awards came on the heels of a 5th place national ranking in scholarship among the fraternity's 74 chapters which was announced last week.

Upsilon will represent the domain in national competition at the group's national convention at Shawnee-on-the-Delaware, Pa. June 22.

## Power Commissioners' Trip On Utility Plane OK'd

Washington (AP)— The chairman of a House influence investigating subcommittee said Wednesday it was "perfectly proper" that 3 federal power commissioners flew to a collegaue's funeral in a plane owned by a big natural gas company seeking rate increases.

Rep. Oren Harris (D-Ark), chairman of the House Legislative Oversight subcommittee, confirmed that FPC Chairman Jerome K. Kuykendall had checked with him before accepting a plane ride to Louisiana and back last month.

The plane was owned by United Gas Pipeline Co. of Shreveport, La., the nation's biggest in volume of gas carried.

Earlier, Kuykendall said he and two other FPC members went in United Gas' plane because they believed they could not arrange commercial airline seats in time to get to a service for power Commissioner John B. Hussey, who died March 17.

Kuykendall's companions on that trip were FPC Vice Chairman Arthur Kline and Commissioner Frederick Stueck.

Backing up Kuykendall's statement about the advance check, Harris declared, "I told him to go ahead."

"I think it was a perfectly proper thing to do and anyone who makes anything out of this is pretty small," Harris added. "I would do the same thing myself under similar circumstances."

Kuykendall told a newsman he cleared the trip with Harris in advance because he was aware there might be criticism of the FPC members for accepting the pipeline firm's plane lift.

Previously, when the matter came out, Kuykendall said he had no apologies to make for riding in United Gas' plane — "We went to give aid and comfort to the family of a dear friend."

# Holy Week Speaker Tells Of Secular, Spiritual Confusion

The world today confuses the secular and earthly kingdom and the spiritual kingdom, the Rev. D. D. Hansen, dean of the chapel at Concordia Teachers College, stated at Lutheran Holy Week Services Wednesday.

"We would desire to resolve our spiritual dilemma by making a simple choice between atheistic Communism and Christian democracy. We reduce Christ's realm to that of a political way of life and government," Rev. Mr. Hansen pointed out.

He compared today's world with that of ancient Jerusalem. "... The shouts of the crowds on the streets of Lincoln or New York City of London or Rome rise with those of ancient Jerusalem, 'We have no king but Caesar.'

"The State has become the hope of the world in which we live; free enterprise and the glorious inheritance of liberty become the watchwords of our faith," he added.

In conclusion, Rev. Mr. Hansen said that the mighty rule of Caesar soon crumbled but not before "having destroyed the Holy City of Jerusalem .. and not before the Empire itself had been conquered by the confession of the crucified."

"The meager group of followers of this thorn-crowned King became the world's mightiest army of believers—armed not with swords and weapons, but armed with faith and love and hope."

The Rev. Mr. Hansen will speak on "Cups" at the Thursday 12:15 p.m. service, and "Crosses" will be the subject of his Good Friday sermon. The noon-day services, being held at the Varsity Theater, are open to the public.

## Young Renegade Relaxes At State Mental Institution

Pulaski, Va. (AP) — Harless Hardin "Jackie" Jennings relaxed in the spring sunshine at a state mental institution Wednesday, less than 24 hours after police dragged him screaming from the home where he had held his young sister-in-law hostage.

The 18-year-old desperado, sporting a duck-tail haircut, lounged in the courtyard of the maximum security building at Marion and chatted with other inmates of the institution. He had spent the night sleeping off the effects of a knock-out tranquilizer administered when he was brought in.

Dr. E. B. J. Whitmore said exhaustive studies would have to be made before a plan for therapy and treatment could be worked out. He said the youth was a sociopathic, a person he described as one who has never learned by experience or punishment the rules of society.

## Congress Said Cool On Postal Rate Increases

Washington — "Congress is not too enthused about the postal rate increase proposal," Rep. Don McGinley said Wednesday.

"And, the public should recognize that when a budget surplus is created by increasing tax revenues, it should also remember that it is made possible by taking money out of its pocket," the Forth District Democrat noted.

The knowledge that the postal service would not necessarily be self-sufficient has a long tradition, McGinley said.

The administration has proposed a rate increase on every class of mail.

## STEVEDORES SHOVE SHIP, SAVE SEAMAN

Liverpool, England (AP)—Seventy stevedores pushed against the 6,000-ton British cargo ship Donegal Wednesday to prevent it crushing a seaman against the quayside.

The seaman, Martin Shinnick, 49, fell into the dock while the Donegal was preparing to sail for Germany.

While the stevedores pushed, ed, two men were lowered down the two-foot gap between ship and quay. They hauled Shinnick to safety.

# Britain Will Rely On U.S. Rockets Fired From Mobile Bases

By Arthur Gavshon

London (AP) — Britain Wednesday scrapped a big part of its rocket defense program. The government staked the future nuclear striking power of these islands on a U.S. pledge to sell it American rockets. Emphasis was shifted from fixed to mobile bases.

Defense Minister Harold Watkinson announced abandonment of a 1½ billion dollar project to build the Blue Streak — a 2,500-mile-range rocket with a Rolls Royce liquid fuel engine which already has cost 182 million dollars. Also abandoned were plans for a network of launching sites.

These had been designed as the chief machinery of an all-British nuclear deterrent to come into full effectiveness in the late 1960s.

"Vulnerability of missiles launched from static sites and the practicability of launching missiles of considerable forms have now been established," Watkinson told the House of Commons in explaining the switch.

Another reason was the cost, which he called prohibitive.

The minister named the American Skybolt — a U.S. Air Force nuclear rocket that officials hope will be available for full-scale testing in 18 months — as one weapon that might prolong the effective life of Britain's strategic bomber command.

In Washington, the U.S. State Department said the United States will sell Skybolts to Britain as soon as they come into production. The British will turn out their own nuclear warheads.

An uproar of protest and criticism met Watkinson's announcement.

Opposition Labor and Liberal lawmakers unleashed their bitterest attack in years on Prime Minister Macmillan's Conservative government. They demanded a swift probe into what they termed a waste of the 182 million dollars thus far invested in developing the Blue Streak. Watkinson replied that the rocket might be used as the launcher for a space satellite.

There were calls for the resignation of Watkinson and his predecessor as defense minister, Duncan Sandys, who initiated the rocket program. Sandys is now aviation minister.

Even a fellow Conservative, F. W. Farey-Jones, declared the decision was calamitous. He asserted British scientific progress in space research has been pawned to the United States.

Watkinson stressed that Britain's bomber command —expected to be outdated around the mid-1960s — remains "an effective and significant contribution to the deterrent power of the free world."

## Stanton Delaplane's POSTCARD

The hills are golden with poppies this excellent month.

We have more lizards than ever before. I do not know why. It is National Lizard Month around our neighborhood.

This is a very important month.

It is Spring Festival of Gas Ranges.

It is America's Heartland Development Month. Cereal and Milk Spring Festival. National Ladder Month.

**We are doing our best to celebrate all these things properly. We ate our cereal. And one of our hobbies is climbing a ladder to get the tennis ball out of the rain gutter over the garage.**

It is Pearadise-in-April. Courtesy of Pacific Coast Canned Pear Service, Yakima, Washington.

☆ ☆ ☆

National Weeks and National Months seem to be an American custom. The Mexicans have fiestas. The British celebrate victory at Trafalgar. But we have Save the Horse Week. You cannot beat that.

Right in the middle of Save the Horse Week is Sweetest Day—the national candy people thought of that. You should send your horse a pound box of mixed mints. Gift-wrapped.

Odorless Decoration Week comes somewhere around this time.

National Domestic Rabbit Week is next month.

When I first saw that, I thought it was something for the rabbits. Like the people should go calling on the nearest domestic rabbit. Take him a gift-wrapped carrot.

But no. It turns out this week's purpose is "to promote the year-round use and sale of domestic rabbit meat."

I imagine domestic rabbits are against this week.

☆ ☆ ☆

We have Chemical Progress Week, National Sunday School Week and National Model Building Week—all this week.

It is National Rug Cleaning Month and World Peace Month.

We are always in favor of World Peace. But everybody we read about in the papers seems to be against it. We are getting estimates on the rug.

**A lot of people would like to start national weeks or national months. (I am starting a Where Did You Put My Cufflinks Week and a Stop Borrowing My Comb Ever Again Month.)**

It is quite simple. You can do it in your own home.

You decide what you want to celebrate and give it a national name.

Then you make yourself an organization.

Then you send it to the U.S. Chamber of Commerce, Washington, D.C.

They print it in a book.

No, they used to print it in a book. But now the book is printed by William D. Chase, Apple Tree Press, Flint, Michigan. Send it to him too.

☆ ☆ ☆

The organization should then celebrate. The way to celebrate your week or month is to elect a Queen.

The Queen should be dressed in appropriate costume—like the domestic rabbit Queen could be dressed like an Easter bunny.

Then you call your newspaper. We will send a photographer out to your house to photograph the Queen.

**The photographer will say: "Make like you're eating a lettuce leaf, honey." He will take two pictures—because sometimes he forgets to pull the slide on the first one and he cannot remember.**

**We will then print this picture with a caption:**

**"Bunny Queen. Miss Gloria Winsome eats lettuce leaf to celebrate National Rabbit Week."**

If your Queen is wearing a bathing suit, the picture may be picked up by the wire service and transmitted throughout the land. If she is wearing a bikini, it is a cinch.

History will be enriched. get a hobby. Climb a ladder. Save a horse.

The bidding:

Opening lead—two of clubs.

The declarer who plunges gaily ahead without bothering to form a plan of play in advance, frequently finds himself the victim of his own reckless conduct. There is no bonus paid in bridge for speed of play, and a few moments well spent at the beginning of the hand will often pay good dividends at the end.

South was in three notrump. He ducked the club lead and won the return of the jack with the ace. Declarer could see there was little hope of winning nine tricks without bringing home dummy's long diamonds. So he led the A-K and another diamond.

West took the queen and cashed his two good clubs to bring the defense to four tricks. West then exited with a heart, taken by dummy's king.

South was now in position to count nine winners— two spades, two hearts, four diamonds, and a club. But, unfortunately, there was no way for him to cash the ace of hearts. Locked in dummy by the heart return, he eventually lost a spade to the queen and went down one.

There was nothing wrong with South's arithmetic. He did have nine tricks available from the start, assuming that the diamonds were divided 3-2. But he made the error of playing the A-K and another diamond too quickly, without looking ahead to the situation that was bound ultimately to occur.

Since he needed the 3-2 diamond break to make the hand, South should have assumed it from the start and played accordingly. At trick three he should have led a low diamond in order to retain his high diamonds as future entries to his hand.

Had he done this, the defense would have been helpless. They could take the diamond and cash their clubs, but that would have been the sum total of their tricks.

Then, regardless of what return West made, school would have been out. South would cash the king of hearts, the A-K of diamonds, and the ace of hearts. He could then claim nine tricks and the contract.

# Mrs. Jaycees Award

A highlight of the April meeting of the Mrs. Jay-Cees, an organization for the wives of Junior Chamber of Commerce members, was the annual presentation of the "Outstanding Mrs. Jay-Cees" award.

Pictured receiving the 1960 award for service to the organization and community is Mrs. Bob Peterson of 1910 East Bermuda Drive.

# SUBURBIA

EASTBOROUGH

Hear that Mr. and Mrs. C. M. Fuller of Council Bluffs are visiting in the suburbs this week with their son-in-law and daughter, Mr. and Mrs. Marvin Morgan.

A warm welcome this morning to Lt. and Mrs. Don R. Edwards who moved into their home at 611 No 70th last Saturday. The Edwards couple formerly lived at 1315 C.

PARK VALLEY HEIGHTS

The past two week ends have been active ones for the Walter R. Davis family. On Sunday, April 3, Mrs. Davis entertained at a birthday dinner honoring her husband. Present for the evening were Mr. Davis' parents, Mr. and Mrs. Walter E. Davis of Seward, his brothers, Roger Davis and Everett Davis, and Miss Andrea Chicoine.

Last Saturday, April 9, Mr. and Mrs. Davis entertained for their sons at a family dinner as Bret was one year old Saturday and Scott was two on Sunday. On hand were the senior Mr. and Mrs. Davis, the boys' maternal grandmother, Mrs. L. H. Slonecker, also of Seward, and their paternal great grandparents, Mr. and Mrs. John Strinz of Utica.

Capt. and Mrs. Allan Matson are the parents of a new son who arrived at St. Elizabeth Hospital on Tuesday, April 5. The young man, who has been named James Aaron, has four brothers and sisters, Ronald, John, Gayle and Susan.

Included among the grandparents are Mr. and Mrs. Harold J. Matson of Portland, Ore., and Mr. and Mrs. Stanley Gay of Wenatchee, Wash. Incidentally, Mrs. Matson arrived in Lincoln the latter part of March for a three-week visit, and Mrs. Gay is expected for a visit later in April.

# The News Around Town

—This April morning has its share of interesting news —news that involves guests, parties and a communique or two from nursery circles at home—and away.

One of the Easter week end guests will be Miss Margo Hunt who planes in from New York City this evening to remain until Monday as the guest of her parents, Mr. and Mrs. E. M. Hunt—

And mention of the Hunt family reminds us that Mrs. Hunt returned on Tuesday from Phoenix, Ariz., where she had a six weeks holiday.

* * *

—We understand that some of our current guests will not be remaining for Easter—Mr. and Mrs. C. D. Hildebrand, their daughter, Virginia, and their sons, Chuck and Dick, are spending this week as the guests of Mrs. Hildebrand's mother, Mrs. S. G. Zemer — but the visitors will be leaving tomorrow and will go to York where they will spend Easter with Mr. Hildebrand's parents. From York Mr. and Mrs. Hildebrand and their family will return to their home in Denver.

* * *

—It would seem, however, that Mrs. Zemer will have little, if any, time to miss her guests from Denver — for arriving on Friday will be Mrs. Kate Everett of Belmont, Calif., formerly of Lincoln, and Mrs. Everett's son-in-law and daughter, Mr. and Mrs. Milo Hewitt of Ottawa, Kan.

Mr. and Mrs. Hewitt will be in Lincoln only for a long Easter week end, but Mrs. Everett plans to be here at least two or three weeks.

* * *

—And we have some guests from Norfolk, Va., to mention, too—They are Lt. (JG) and Mrs. Ed Moyer and their son, John, who are spending several days as the guests of Lt. Moyer's parents, Mr. and Mrs. J. L. Moyer. Lt. Moyer will be leaving at week's end, but Mrs. Moyer and her son will spend a little more time in Lincoln and also will visit Mrs. Moyer's parents, Mr. and Mrs. Vantine James, in Nebraska City, before returning to Virginia.

* * *

—Now we have a choice —nursery news or parties? We'll postpone the party chatter until tomorrow and tell you about the arrival of Miss Lynn Rachelle Clay on Monday, April 11. The young lady is the daughter of Mr. and Mrs. William Clay, and her mother is the former Sarah Carveth, daughter of Dr. and Mrs. W. W. Carveth — and Alpha Phi at Nebraska.

# DEAR ABBY

Abigail Van Buren

DEAR ABBY: Don't be too hard on the Korean girls of easy virtue. The Korean girls are hungry, affectionate and pathetically poor. They are lucky if they eat four times a week. Is it any wonder they are willing to be a slave to an American soldier for a good meal?

Yes, there are many Korean babies born to these girls and American soldiers. But the babies can't help it if their fathers go off and forget about them. Those half-Korean babies are the sweetest most adorable babies in the world. We ought to know—we adopted one.

MR. AND MRS. R. D. R.

☆ ☆ ☆

DEAR ABBY: I am a Junior in High School and I came home with a bad report card last month. My parents cut off all my enjoyments. No sorority Tuesday night. No basketball games Saturday mornings, and no dating Friday and Saturday nights. They make me stay home and study all the time.

And they won't let me go out until my next good report card. The next card doesn't come out for two months. Abby, I can't keep my mind on my studies when I think of all the fun I'm missing. What should I do.

"A PRISONER"

DEAR "PRISONER": **If misery loves company, this may comfort you a little. I received no less than 100 letters like yours last week. I suggest you buckle down and study. If you let your mind wander to all the fun you are missing, you'll get a bad report card again and you'll be "a prisoner" serving an extended term.**

☆ ☆ ☆

DEAR ABBY: For a year I went with a boy, 19, who was gentle in both words and action. He would do anything to keep from hurting anyone. He is good-looking (6 feet tall) and has won his share of letters in sports. He neither smokes nor drinks and is an elder in the church. He is going to college and is doing well there.

He won't be home again until June, but when he was here for Christmas he hinted that I had lost him to another girl. But how can you feel anything but love for a guy who takes you in his arms and quietly and gently tells you how sweet you are and how much he cares for you, but how it would be much better for everyone if he married another girl?

HOPING AGAINST HOPE

DEAR HOPING: **Don't get carried away with his gentle presentation. He is giving you the air, my dear. Stay out of his arms so the windows of your common sense won't get fogged up.**

If you have a problem, write to Abigail Van Buren in care of this paper. She will be glad to answer your letter. For a personal reply, enclose a self-addressed envelope.

# PTA, Club News Of Interest

The committee on arrangements for the annual KAPPA KAPPA GAMMA sorority banquet will meet at 10:30 o'clock Saturday morning for a coffee and planning session at the home of Mrs. J. G. Desmond, Jr.

Mrs. Desmond and Mrs. Robert Howey are co-chairmen for the banquet, which will be held May 13, at the Lincoln Country Club.

The members of CHAPTER V, PEO, will meet for a noon luncheon, Saturday, at the University Club. Following the luncheon, the group will visit the Mueller Planetarium at the University of Nebraska.

The April meeting of HAVELOCK PTA was held Tuesday afternoon at the school. Following the business meeting, a program demonstrating the teaching of reading was presented by faculty members.

Hostesses for the social hour were mothers of first grade pupils.

## Head Whittier PTA

New officers of Whittier PTA, elected at the Tuesday evening meeting of the unit, include (from left to right) first row, M. Sgt. Arthur N. Hicks, president, and Mrs. W. B. Halsted, first vice president; second row, Mrs. Emmitt Robinson, second vice president, and Mrs. J. L. Martin, third vice president; third row, Mrs. Victor Webber, fourth vice president, and Mrs. Perry Douthit, secretary; and fourth row, Mrs. Philip Kelly, treasurer, and Mrs. L. B. Wightman, council delegate.

Also honored were Mrs. Alice Black, George Wiltshire and Charles Worrall, who were presented PTA life memberships.

CAPITOL PTA members Tuesday afternoon elected Mr. and Mrs. Raymond Shrader as co-presidents of the unit for the coming year.

Others elected were Mr. and Mrs. Wayne Pauley, co-vice presidents; Mrs. Mildred Jensen, second vice president; Mr. and Mrs. Otto Waters, co-secretaries; Mr. and Mrs. Ed Havel, co-treasurers; Mrs. Leslie Johnston and Mrs. Lawrence Blum, council delegates.

Mrs. Henry Frickel opened the program, which included a physical education demonstration by pupils under the direction of John Hoover, and a parade of kindergarten pupils modeling Easter hats they have made, accompanied with songs by first graders.

Mrs. Pauley and Mrs. Shrader presided at the refreshment table and hostesses were mothers of Mrs. Margie Eloe's and Miss Mary Ellen Thomas' pupils.

The Tuesday afternoon program of BETHANY PTA was opened with a flag salute led by Den 6, Pack 55, of the Cub Scouts. A talk on the proposed children's zoo in Lincoln was given by James Ager, director of city parks, followed by a program of music by a 60-piece orchestra of fifth and sixth graders.

A coffee hour was held at the close of the afternoon.

The April meeting of the SOROPTIMISTS of Lincoln was held at 7:30 o'clock Wednesday evening at the Hotel Cornhusker.

Members brought magazines to be sent overseas to selected colleges and universities. During the meeting, plans were discussed for attending the North Central Regional conference of the organization.

Mrs. John Steembarger was hostess to the members of the UNI EXTENSION CLUB. Thirteen members attended the luncheon served by Mrs. Steembarger and her co-hostess, Mrs. Ray Craig, after which the hostesses presented the lesson on, "Home and Family Protection."

The next meeting will be held at the home of Mrs. Charles Smith.

The program topic for the Monday evening dinner-meeting of the LINCOLN TOASTMISTRESS Club, held at the Capital Hotel, was, "An Evening In Paris," and was introduced by Mrs. Helen Calcaterra as toastmistress.

Program speakers were Mrs. Jean Wiebeck, Mrs. Ann Holst and Mrs. Eunice Peterson. Topic mistress during the dinner was Mrs. Jean Gaylor who chose the theme, "Dateline-Paris." Speaking extemporaneously were Mrs. Josephine Stromer, Miss Cora Mae Briggs, Miss Esteline Porter and Miss Ann Gustafson.

Dr. Jean Davis was a guest of the club, and the group presented a gift to Mrs. Flora Henkelmann.

An Easter party was held Monday evening by the members of Phi Beta Chapter, BETA SIGMA PHI, who met for a program of games and refreshments at Liebers party house.

Winning first place for their original "Easter bonnets," were Miss Jeanne Scheerger and Mrs. Marilyn Imig.

During the evening, plans were discussed for the installation of new members.

Hostesses for the evening were Miss Peggy Cole, Miss Barbara Simon, Miss Janice Schwabauer and Miss Deanna Warkow.

# Now - A Sure-Fire Way to grow a MORE BEAUTIFUL LAWN!

*Works Everytime! You cannot Miss!*

Here is a way to grow a rich, thick, luxurious carpet of grass... a way so simple... so easy, and works so well, you'll say, "Why in the world didn't somebody tell me about this before!" For this system, of just three simple steps, grows the kind of lawn everyone dreams about but few ever get. Perfect for brand new lawns or re-building old lawns.

No guesswork! No "magic ingredients!" This simple "1-2-3 system" is the result of years of experimenting on hundreds of test plots at the Earl May Seed Company.

By means of these tests we've also developed our remarkable lawn seed mixture... MAYPARK... which is a lawn-making blend of pure Kentucky Blue Grass and other perennial grasses to give you a dense, heavy stand of well-rooted grass *quickly*. MAYPARK LAWN MIXTURE, plus the Earl May 3-Step Planting System will give you a more beautiful lawn without fail.

Get our FREE BOOKLET... "THE SURE-FIRE WAY TO A MORE BEAUTIFUL LAWN." Come in for your copy now. No obligation on your part. You'll be amazed at how simple, how practical this method is.

## Jack Thorne: PRECINCT, WARD WORK IMPORTANT

"Political work on the precinct and ward level, which is frowned on by many in both parties, can be as important to the exercise of the Democratic process as spring training is to a winning baseball team," a Republican office-seeker said Wednesday.

Hastings Mayor Hans (Jack) Thorne, candidate for the GOP nomination for First District Congressman, prepared the remarks for a Lincoln Junior Chamber of Commerce meeting.

He urged younger men to take an early and serious interest in politics.

"Women are doing an excellent job in political work," Thorne said, "and many fine leaders of the community are working hard for their party and candidates they believe in. But the great need is for more younger men to begin today to enter actively into politics."

Thorne was elected Hastings mayor last year and became the youngest man ever to hold that post.

Here is a pleasant little game that will give you a message every day. It is a numerical puzzle designed to spell out your fortune. Count the letters in your first name. If the number of letters is 6 or more, subtract 4. If the number is less than 6, add three. The result is your key number. Start at the upper left-hand corner of the rectangle and check every one of your key number left to right. Then read the message the letters under the checked figures gives you. # McCormick Spins 3-Hit Job; Giants Romp, 6-1

## Wagner Blasts Second Homer

. . . MUSIAL ENDS NO-HITTER

San Francisco (AP)—Youthful left-hander Mike McCormick lost his bid for a no-hitter when Stan Musial singled in the 8th inning Wednesday, but went on to pitch a 3-hitter as San Francisco won its second in a row from St. Louis 6-1.

Musial was erased in a double-play. The Cardinals collected a run, though, when Leon Wagner followed with his second home run in as many days.

San Francisco blasted out 3 runs in the second and two in the 3rd inning off starting southpaw Wilmer (Vinegar Bend) Mizell.

**The Giants pounded out 13 hits, including 5 doubles as well as a home run by Willie Kirkland.**

Kirkland connected in the third after Willie Mays got his second of four straight hits.

The 21-year-old McCormick set down the first 17 batters to face him. Then relief pitcher Ernie Broglio reached first with two out in the 6th on an error by second-baseman Don Blasingame.

**McCormick finished the 7th by striking out Bill White and Ken Boyer.**

Musial, with a count of two balls and two strikes, opened the 8th by punching a single just over shortstop. Last April 18 in Seals Stadium, Musial collected the only hit off the Giants' Jack Sanford.

## Cubs Thump LA, 4-0; Banks, Thomas Unload

Los Angeles (AP) — Frank Thomas and Ernie Banks hit their first home runs of the season and righthander Glen Hobbie mastered the Dodgers for the first time in his life as Chicago stopped Los Angeles 4-0 Wednesday night before 24,475.

Larry Sherry, pitching hero of the 1959 World Series, suffered his first loss since last July 12. He had won 7 straight, not counting his two World Series victories.

**Hobbie surrendered just 5 hits and allowed only one Dodger to advance beyond second base.**

Sherry, shooting for a starter's job after spending much of last year in the bullpen, looked sound except for two pitches.

Banks, who hit 45 homers last year, blasted the ball into the left field seats with the bases empty in the 4th and Thomas connected with two men aboard in the 8th.

McCORMICK. . . near no-no victory.

# Midland Shot, Disc Sweep By Williams

. . . HASTINGS STRONGBOY HITS 48-7½, 155-½

By Paul LeBar

Fremont—Hastings weightman Dave Williams sparkled in the field amid 8 entries in the college division of the Midland Relays here Wednesday.

The senior strongboy buried records in the shot put and discus with efforts of 48-7½ and 155-½.

**Williams, defending Nebraska College Conference discus champion, led the way in a no-scoring matinee and evening feature.**

Wayne Teachers, Nebraska Wesleyan and Hastings divided laurels on the track.

**4 Records**

Records eclipsed included Williams' pair, the 480-yard high hurdle shuttle relay mark by Hastings and the sprint medley mark by Wayne.

**Wayne's Don Weitzenkamp logged unofficial halfmiles of 1:59.3 and 1:56.7 while leading the Wildcats to victories in the 2-mile relay and sprint medley.**

He outran Doane's Joe Moore to the wire in the afternoon 2-mile event, then conquered the Tigers' Dean White in the evening feature.

**NWU Wins 2**

Woody Greeno's neatly-knit Wesleyan tandem salvaged glory from the 880 and mile relay events after a heated disqualification in the high hurdle shuttle.

**Wesleyan's Larry Bartels brought the Plainsmen in first in the latter event, but starter and meet director Dale Pennybaker ruled Bartels had left his blocks early.**

Doane's Ray Best got off a fling of 173-3 to win the javelin.

**Broad Jump Tie**

Defending NCC broad jump titlist Frank Waitley of Hastings shared 1st in that event with the Broncos' Jack Osborne.

**Osborne also earned a 3-way tie for top honors in the high jump with teammate Eldon Kieborz and Midland's Larry Collier at 6-1.**

Wayne's Eldon Hobza soloed in the pole vault at 12-½.

IN THE FIELD

Javelin — 1, Ray Best, Doane, 173-3; 2, Keith Towns, Wayne, 167-6; 3, Emory Anderson, Dana, 166-6½; 4, Dennis Smith, Wayne, 156-6; 5, Norm Bock, Dana, 154-3.

Shot put— 1, Dave Wiliams, Hastings, 48-7½ (betters record 47-2½ by Don Kapustka, Creighton, 1959); 2, Larry Snyder, Do, 45-6½; 3, Anderson, Dana, 42-2½; 4, Harland Ramsey, Do, 42-1; 5, Ron Devish, Hast, 41-5½.

# Curt Simmons Begins Journey Back Tonight

. . . TROUBLED PHIL LEFTY FACES MILWAUKEE

Philadelphia (AP) — Lefty Curt Simmons starts all over again tonight.

Sidelined most of last season after surgery on his left elbow, Simmons has been given the starting assignment for the Philadelphia Phillies against the Milwaukee Braves.

It's the first real test for the one-time bonus kid in his comeback effort.

**"If the arm is good and strong, I can pitch at least 5 years more. If it isn't, well," . . . and he left the obvious unfinished.**

Simmons last April had bone chips removed from his damaged elbow. After a recuperative period he consented to go to Williamsport of the Class A Eastern League to work his arm into shape.

**Hard Luck Guy**

The elbow injury was the latest in a series of circumstances and injuries that have earned the pitcher a hard luck guy label.

**He was taken into the Army in the middle of his best season, 1950, when the Phillies won the pennant. Simmons had 17 victories when the Army blew the bugle on him in mid-August.**

Upon returning from the service in 1952, he posted a creditable 14-8 record. Then, in 1953, apparently on the way to beat his 15 game high, he cut off a big toe and part of another while mowing the lawn. The southpaw wound-up with a 16-13 log.

**Troubles Grow**

The following year Simmons' troubles continued. During a 13-15 campaign his arm stiffened. He found it took a full week between starts to get loose.

The trouble persisted through the next 3 seasons as he won 35 and lost 29. Then came the bone chips.

**Simmons has had a fine spring training. Last Saturday he pitched a 4-hit shutout against Indianapolis of the American Association. He appears ready.**

"The arm feels fine, has been that way all spring," says the 30-year-old native of Egypt, Pa. "I'm a pessimist at heart, but I honestly feel optimistic this year.

# Columbus Tops Preps Division

. . . SMALL SCHOOL MARKS BEST

Lincoln Star Special

Fremont — Columbus-dominated Class II marks topped those in Class I, paced by Omaha Central, in the high school division of the Fremont Relays here Wednesday.

The smaller schools topped the larger schools in 7 of 11 events.

**Central won all 5 relays in Class I and added 1st in the broad jump and high hurdles, with Boys Town grabbing the other 4 events.**

Columbus took 5 of 6 track events and 4 of the 5 field events in Class II.

The athletes broke 13 of 22 records.

Norfolk, with Bud Bettin caught in a 1:59 anchor half-mile, won the sprint medley to break Columbus' stranglehold in Class II. Larry Sipp of Lincoln Northeast got the field event win, throwing the shot 47-1.

**Best marks by Columbus were the 1:32.7 in the 880 relay and a 3:32.8 for the mile relay. Central, with ace Roger Sayers on the sidelines, ran 1:34.5 and 3:34.2.**

Tom Saunders, who anchored those Columbus teams, also won the discus throw and the broad jump to take top individual honors.

No scoring is kept in the meet.

## Central To Fade?

Biggest question coming out of the great Columbus Invitational track meet last week is whether Omaha Central is through as Nebraska's prep king.

**Central lost at Columbus a year ago, and still retained its state title. This year, the Eagles finished a poor 4th. More important they may have lost sprinter Roger Sayers.**

Without a double sprint win for Sayers, plus a fast anchor on a relay, Central is unlikely to cop the big prize in May. Sayers' leg trouble now has him on the doubtful list.

With Sayers, Central should win the crown. Without him, Central will be a bit down the list.

## Who's Next

But picking a team to dethrone Central is still a bit risky. There are several squads with good chances, indicating the meet will be one of the best in years.

**Primary contender right now is Columbus, winner of its own meet in impressive fashion. The Discoverers did it mostly on depth. Tom Saunders is the key to Columbus hopes.**

Hohn

If the big 440 champ can avenge his loss to Boys Town's Jim Johnson in the big show, and possibly add the 220 title, Columbus is a hot prospect for the title.

Another outstanding possibility is Beatrice, with triple-threat Bob Hohn. He is a virtual cinch to grab both hurdles, and could add the broad jump, plus a relay. Add miler John Weinman, currently the state's best, and Beatrice is a real threat.

**North Platte and Scottsbluff, apparently the best in the west, have not been especially impressive to date. But severe point-splitting could bring one or the other home first.**

Lincoln High, untested until today's dual at Grand Island, should be another possibility with overall balance.

## Few Records Likely

Despite the standout state field, few records are likely to topple in the state meet.

**Hohn, who tied the high hurdle mark last year and was deprived of a low barrier record by the wind, should grab off both marks this year.**

But it's difficult to foresee any other state records, although several class marks should go by the boards.

Sayers, if he returns to top shape, may threaten the 9.8 and 21.8 sprint records. Saunders or Johnson could push the 48.4 mark in the quartermile, although it's the best mark on the Nebraska list.

**Pole vaulters have been slow starting, but Dick Lammers of Kearney was near the 13-0 record a year ago, and may get it this year.**

Don't look for an onslaught on the records—just for a good meet.

# Hollywood Activity Is Shut Down

By Don Bryant

**Hollywood, Fla. — There wasn't much activity in the Chicago White Sox minor league camp here Wednesday — at least none of the usual all-day routine.**

**In its spring windup, Indianapolis — an independent Triple A team of the American Association — played an exhibition game finale, beating Charleston of the South Atlantic League, 1-0.**

**The Charleston club was composed of the top players in the White Sox camp, and a few of the youngsters who will be bidding for berths at Idaho Falls, Lincoln and Clinton.**

**All other players here were given a day off.**

# Koehler Explodes For Monstrous 753 Series

Lincoln's run on 700 bowling series erupted again at Hollywood Bowl Wednesday night.

Bill Koehler scored a 753—highest in the city in many years—in the Hollywood Classic League.

It was Koehler's second 700 series this year, and the 9th to be rolled by Capital City keglers.

Koehler started off with a hot 275, rolling 10 strikes, a spare, and closing with a 9-pin hit. He added games of 258 and 220 to his total.

Koehler was rolling for the Dean Bros. Auto Sales team.

Previous high for the year was a 741 by Phil Addleman.

(Cont. From Pg. 23)

**hits, including Eli Churchich's sole homer in the 9th. Emporia got only 6 hits, but was helped by walks.**

Ray Flook, who batted in 6 runs, got Emporia off to a good start with a one-on homer in the second. Three walks, an error and Flook's double provided 4 big runs in the 5th, wrapping up the game.

Flook singled home another pair in the 7th.

**Dick Nelson's triple was the other big Nebraska blow, leading to a single run in the second inning.**

Ron Cougill took the loss for Nebraska, giving up 6 runs in 5 innings. Don Walburn went the route for Emporia.

# Casey Won't Predict Pennant For Yankees

## . . . 'GONNA WAIT AND SEE'

St. Petersburg, Fla. (AP) — Manager Casey Stengel refused to predict a pennant for his New York Yankees Wednesday.

"I'm not going to do like I did last year, when I had the world championship and said I'd win it again," he said. "This year, I'm gonna see what the players can do."

**Casey cited poor pitching and the lack of runs batted in as the reasons for the team's collapse last year. He said there was some improvement in these things this spring. "Not that our record would show it," he added.**

The Yanks finished their Florida training with an 11-19 record, poorest in the American League. No pitcher went 9 innings and none will before the season begins next Tuesday.

Stengel said Jim Coates may face the Red Sox in Boston.

**"Best thing about this spring is that my players are healthy," he said. "If they don't get stoved up, we should be all right."**

Asked about the rest of the league, the Yankee manager said:

"Cleveland has great power but they may need more pitching. Chicago is the best club I saw down here. They have experienced lowball pitching and more speed and power than last year with (Gene) Freese and (Roy) Sievers.

**"Detroit has to get good pitching to win and they better learn to beat somebody other than the Yankees.**

"Kansas City can move up to 5th place. Washington is better if the fellow at first base (Don Mincher) is really a hitter but they better not get those pitchers (Camilo Pascual) and (Pedro Ramos) hurt.

"I don't know if Baltimore can be a contender but he (Paul Richards) does have so many good pitchers that he can still start 4 good ones if two of them go bad.

**"Boston is a good-spirited club with good pitching but they can be hurt without (Jackie) Jensen and (Sammy) White and maybe without (Ted) Williams some of the time."**

Stengel is satisfied with his infield of Gil McDougald, Tony Kubek, Bobby Richardson and Bill Skowron. Roger Maris and Mickey Mantle are set in left and center but "right field is open."

"(Hector) Lopez has the 93 runs batted in but I'm going to keep looking at Deron Johnson," Casey said.

### Cards Sign Defenders

St. Louis (AP)—The St. Louis Cardinals signed two veteran defensive halfbacks, Dick (Night Train) Lane and Jimmy Hill, for the 1960 National Football League campaign.

## Alliance Mentor Quits Cage Post

Alliance (UPI) — Norman (Bud) Larson has announced his resignation as Alliance High School basketball coach in a letter to L. E. Morrison, school superintendent.

Morrison said Larson, whose team this year was West Big 10 Conference champion, gave no reason for his decision to resign or an indication of future plans.

Larson is a 1956 graduate of Chadron State Teachers College.

## SUGAR HART TKO WINNER

Chicago (AP)—Sugar Hart, No. 7 ranked welterweight from Philadelphia, Wednesday scored a 5th round technical knockout over the Phillippine champion, Rocky Kalingo.

Kalingo, knocked down for a 7 count at the end of the 4th round, did not answer the bell for the 5th.

Dr. Irving Slott of the Illinois Athletic Commission examined the 24-year-old Kalingo between rounds and ruled he was in no condition to continue.

### Ben, Sam Invited

London (AP)—Ben Hogan and Sam Snead, America's most famous golf pair, were invited to take part in a charity match against British Ryder Cuppers Dai Rees and Peter Alliss at Wentworth early July.

STATE COLLEGE CORRAL:

# Added Field Strength Hikes Kearney Stock

By Paul LeBar

Kingpin Kearney has picked up strength in the field events to erase any doubts about who will win the Nebraska College Conference crown next month.

Considering that the Antelopes ran second only to Hastings off the cinders last May, the development isn't pleasing to other loop members.

Kearney garnered 45 1-12 of its winning 146 1-12 points in the loop carnival in 1959. Coach **Charlie Foster's** outfit may double that output this time around.

Shotputter **Francis Hircock** and javelin flinger **Chuck Bolton** are returning titlists for the Foster forces.

Jacobs

Hircock, Broken Bow strongboy, is currently racing teammate. **Jim Jacobs** to the 54-foot mark with the 16-pound ball.

Bolton has added 5 feet to his winning javelin distance of 180 feet 5 inches in 1959.

Jacobs and the Antelopes' **Lewis Schoff** may slip into the discus standings at the conference tests.

Pole vaulter **Merlin (Beanie) Lawrence** has the best NCC pole vault to date at 13 feet 6 inches.

Lawrence was 5th in the conference broad jump a year ago and has help from teammates **Larry Barnhart** and **Tom Williams.**

High jumper **Gene Lawhead,** a former titlist, is hustling to stay ahead of the Lopers' **Milton Shrader** and **Gil Feis** in the Lawhead specialty.

Doane, scoreless in the 1959 conference test, may be headed for comeback-of-the-year honors . . . The Tigers' **Clinton Skinner** will be a title threat in both sprints and the broad jump.

Skinner, prep Gold Medalist from Elsie, opened the outdoor campaign last week with a 22-3 effort in the jump . . . Hastings' **Frank Waitley** won the conference at 22-1¼ in 1959.

Half-miler **Joe Moore** and distance man **Dean White** are the other Tiger newcomers . . . Moore churned the 880 in 2:02.1, and White recorded 4:33.9 and 10:18.7 in the mile and two-mile respectively.

**Ken Humphrey,** high hurdles champ, and **Ross Pilkington,** broad jumper, are the aces back in Peru's camp . . . Coach **Jerome Stemper's** crew lost junior **Ron Callan,** who ran 1:55.5 in the NCC half-mile a year ago.

Hastings looks to sophomore **Eldon Kieborz** to balance senior **Dave Williams'** performances in the field . . . Kieborz surprised by slamming the hurdles and winning the high jump at 6 feet in the South Dakota Invitational.

Junior **Don Weitzenkamp** and sophomore **Rod Elkins** are the only remnants from Wayne's 4th-place team of last year . . . Losses were 440-champ **Fred Kjer** and two-mile titlist **Merle McGee.**

Wesleyan's **Art Freiberg,** shut out in the mile last year, is seeking a comeback . . . **Freiberg** last week snapped his own school record with a 4:33.5 performance.

Sprinter **Ed Kester,** weights man **Larry Reiners** and half-miler **Norman Lewis** bolster McCook Junior College's outlook for defense of the Indians' 5-JC Conference crown . . . the junior colleges congregate May 3 at Norfolk.

Newcomers **Bob Bradford** and **Cliff Calvert** brighten the outlook at Scottsbluff . . Bradford was under the Cougar school record while running :22.7 to **Virgil Meyer** in a Chadron-Scottsbluff dual . . . Calvert, Bayard frosh, copped the 440 in :51. 8 . . . Returnee **Gordon Lacy,** a hometown product, flipped the discus 140 feet ¾ inch.

# Greensboro Event Next For Golfers

Greensboro, N.C. (AP)—While Masters champion Arnold Palmer enjoys a brief rest from tournament golf, most of the other links nomads continue their weekly pursuit of fame and fortune in the $17,500 Greater Greensboro Open beginning today.

It's the 15th major event on the year's schedule, 5 of which have been won by Palmer.

The remaining 9 have been won by as many players, so keen as been the competition in the wake of Palmer's majestic march through the ranks.

Four 1960 winners, Dow Finsterwald, Sam Snead, Mike Souchak and Tom Nieporte, are among the expected 125 entries in the 4-day, 72-hole tournament which carries a $2,400 top prize.

Finsterwald, Snead and Bob Goalby are former winners here back to try again. Gary Player, Julius Boros and Billy Maxwell are among other top notchers on hand.

## Flamio Vs. Gonzales

New York (AP)—Billy Flamio of New York will meet Jose Gonzales of Puerto Rico in the 10-round welterweight bout at St. Nicholas Arena next Monday night.

# BOXER MOHR STILL CRITICAL

Madison, Wis. (AP) — University of Wisconsin Boxer Charie Mohr remained near death Wednesday from a brain injury suffered in last weekend's NCAA tournament.

No change has been reported since Tuesday noon when a Student Health Center bulletin said his pulse and blood pressure had improved slightly. His condition still is listed as "very critical."

The 22-year old Merrick, N. Y., senior has been unconscious since Saturday night, when he collapsed minutes after he lost a title fight to Stud Bartell of San Jose, (Calif) State.

# CANADIENS EYE SWEEP

Toronto (AP) — The streaking Montreal Canadiens, needing only one more victory to win hockey's Stanley Cup for the 5th straight year, called off a morning workout Wednesday in protest of Toronto management.

If the Canadiens close out the final best-of-7 series with the Maple Leafs in 4 straight by winning today's game, they will become the second team to complete a Stanley Cup sweep.

They eliminated the Chicago Black Hawks 4-0 in the semi finals. Only the 1952 Detroit Red Wings won the cup in 8 straight.

# No Vet Abuse Of Treatment Right—Landis

Frank E. Landis of Lincoln, Nebraska department commander of the American Legion, said Wednesday a recent survey of 160 patients in the Lincoln Veterans Administration Hospital shows there is "no flagrant abuse" of the right of treatment of non-service connected disabilities.

Landis said the survey was made after a resolution by the house of delegates of the Nebraska Medical Assn. charging that many veterans being treated for non-service connected disabilities were not indigent or had hospital insurance.

The Legion surveyed 160 of 264 patients at the hospital. Of the 104 not interviewed, 26 were Air Force, National Guard or public health patients; 37 were neuro-psychiatric patients, and 41 were unavailable for questioning due to attendance in clinics, surgery, were seriously ill or did not desire to answer the questions.

Landis said 27 of the patients interviewed were there for service connected disability, and together had spent $4,455 for private medical care prior to entering the VA hospital.

A total of $19,028 had previously been spent for private medical care by the 133 patients hospitalized for non-service connected disabilities.

**20 Had Insurance**

Of these 133, the survey showed that only 20 had any form of insurance. Many of them had exhausted their insurance benefits before going to the VA hospital, Landis said.

Income stopped for 68 of the 160 when they entered the hospital, and 21 were still receiving full pay or were using sick leave.

"The remaining 71 are on the VA pension roll which in itself indicates that these veterans are permanently and totally disabled and unemployable," Landis said.

The financial need of the veterans was demonstrated further by the fact that 115 of the 160 were unemployed, two were employed part-time, 16 were self-employed and 27 had full-time employment upon entering, he said.

"In light of our survey made in Lincoln, there is no basis of truth in the statement adopted by the house of delegates (of the Nebraska Medical Assn.) that very few were indigent and many had hospital insruance," Landis concluded.

U.S. families spend an average of $19 a week for food. Last year retail grocery stores invested nearly $5.00 per family in newspaper advertising to help move their products from their shelves into the family larder.

# Middle Of River 'Logical Boundary' For Nebraska, Iowa

Omaha (AP) — State Sen. George Syas of Omaha declared Wednesday the middle of the new Missouri River channel is the logical boundary for Nebraska and Iowa.

**But he pointed out that boundary would have disadvantages for Nebraska even if Carter Lake were to be made a part of Nebraska. The boundary would place the big De Soto Bend recreation project in Iowa.**

Without the boundary change, Nebraskans could fish in Carter Lake with Nebraska licenses "because half of the lake would be ours. But if the federally owned De Soto Bend area were placed inside Iowa, Nebraskans would have to obtain the more expensive Iowa nonresident licenses to fish in it. The same situation would apply if the area were opened for hunting," he said.

Syas introduced the bill which set up the Nebraska boundary commission.

In Iowa Gov. Herschel Loveless agreed that the middle of the new Missouri channel would be the logical boundary, but he said questions of personal liberty may be involved.

Nebraska members of the commission are on record as favoring the middle of the river as the boundary between the two states—a settlement that would make Carter Lake, Ia., a part of Nebraska.

Iowa commission members, however, at a meeting Monday said they favored keeping Carter Lake as a part of Iowa.

Carter Lake is on the Nebraska side of the river because of a channel change by the Missouri many years ago.

**Loveless said he felt serious legal problems might arise from the transfer of Carter Lake from Iowa to Nebraska.**

But on the whole, he said, it appears to him that designating the middle of the river as the boundary would be the best solution to the problem.

## Independence 'Declaration' Wins Award

**. . . For Fremont**

Fremont (AP) — The Chamber of Commerce sponsored "Declaration of Indepnedence from Federal Dependence," which was widely circulated last year, has won for Fremont, a Freedom Foundation award.

The Chamber received a bronze plaque from the Freedoms Foundation inscribed:

"For outstanding achievement in bringing about a better understanding of the American way of life."

**Patrick Norton of Boys Town, a trustee of the foundation, made the presentation at a dinner attended by some 300 Chamber members and their wives. It was the 80th anniversary of the Chamber.**

The award was presented to outgoing Chamber President Harold Wohlner, who in turn presented it to Ed Jaksha. Jaksha headed the declaration committee and took the scroll to Washington.

A special award also was presented to the late Don Beach, who spearheaded a county polio vaccination program that has been adopted by the National Foundation for Polio. The award was accepted by his widow.

## Raecke Services Are Attended By Overflow Crowd

**Lincoln Star Special**

Central City—Hundreds of persons from throughout Nebraska gathered here Wednesday afternoon to pay their last respects to Walter R. Raecke, 64-year-old prominent attorney and outstanding Democratic leader.

The First Presbyterian Church here was completely full with an overflow crowd for services for Mr. Raecke, former state senator and speaker of the Legislature in 1947. The Rev. Robert McLeod, pastor of the church, was in charge of services.

Graveside Masonic services were conducted by Charles Adams of Aurora, past grand master of the Nebraska Masonic Lodge. Mr. Raecke was active in Masonic organizations, serving as grand master of Nebraska in 1945-46.

Mr. Raecke died Saturday in a local hospital from a reoccurring heart ailment.

State officials attending the services included: Bernard Boyle of Omaha, Democratic national committeeman; Robert Conrad, administrative assistant to Gov. Ralph Brooks; State Treasurer Richard Larsen; State Purchasing Agent A. Clifford Anderson; State Cigarette Tax Division Chief Frank Golden; Supreme Court Justices Edward F. Carter and Adolph Wenke; Assistant Clerk of the Legislature Francis Robinson; District Judge Robert D. Flory of Columbus, and Joe Votova of Omaha.

# Slack Water Proposal Opposed During Meet

Kansas City, Kan. (AP)—Opposition to a proposal to hold water in the Missouri River with a series of dams and locks was voiced Wednesday at a hearing here.

Dale Biggs, who said he represented rural electric cooperatives in the Huron, S.D., area, was the only person who spoke for a slack water navigation plan.

Others declared the plan would render useless most of the multi-million-dollar flood control system already in place.

T. G. Schuster, Chicago, who said he spoke for 17 railroads operating in the Missouri River Basin, voiced strong opposition to the plan. He said the cost would be beyond the government's ability to pay, it would destroy vast agricultural areas and also make obsolete present flood protection and highway and railroad structures crossing the river.

**Boone County Youths Visit Capital City**

Over 300 Boone County rural school 7th and 8th graders were in Lincoln this week touring places of interest. Among the group were, left to right, Allen McIntyre and Mary McIntyre, both of Primrose, Bette Jo Walvin of Primrose and Dianne Thome of Loretto, caught by the photographer while inspecting early Nebraska history at Morrill Hall on the University of Nebraska campus. ## Salem Motorist Still Driving His 1926 Star Sedan

Salem, Neb. (UPI) — When Carl H. Godemann, Salem, buys an automobile, he takes care of it.

Back in 1926 he paid $1,075 for a Star sedan, which he is still driving.

The Star has its original sparkplugs and tires and never has had a valve-grinding job. The upholstery is excellent.

However, Godemann points out, for 12 of those 34 years the car was kept jacked up in his garage. It has traveled 17,247 miles.

## Cattle, Calves Condition Reflects Hard Winter

Condition of cattle and calves in Nebraska on April 1 was rated at 80%, reflecting the effects of the long hard winter.

The State-Federal Division of Agricultural Statistics says the condition was the poorest for an April 1 in 3 years, and compared with 87% a year earlier, 82 a month earlier, and a 10-year average of 83%.

Condition of range feed was listed at 79%, down 5 points for the year, up 5 points for the month and one point above the 10-year average.

**"The first two and a half months of 1960 were hard on livestock due to the severe winter weather," the division noted. 'Gains were difficult to obtain as feed was utilized primarily to hold condition.**

'Ranchers experienced difficulty caring for livestock. Early calving losses were heavy, but losses were light in calves dropped the last of March," the report added.

# Denver Paper Appeals For Rockefeller Draft

Denver (UPI)—The Denver Post, one of the largest newspapers in the West, said editorially Wednesday that Nelson Rockefeller would make a stronger Republican presidential candidate than Vice President Nixon.

It said many Republicans were saying the same thing—"in whispers."

The Post, an afternoon daily, supported President Eisenhower in 1952 and 1956—elections which he won by great majorities, the paper said, because "he had the appeal to lure Democrats in large numbers across party lines and to capture the support of independents."

The basic theme of the editorial, entitled: "To Win, Republicans Must Launch a Draft for Nelson Rockefeller," was that Rockefeller has that appeal while Nixon does not.

It said Nixon "simply does not impress people as being of presidential caliber."

Rockefeller, the Post said, appears to have the kind of appeal that won for Eisenhower. "Republicans should not be blind to this possibility," it said.

The newspaper criticized Nixon as "strictly a party product" who is "reasonably smart." But it contended that the Republican Party "made him what he is—vice president by virtue of a ride on Eisenhower's coattails.

"Republican precinct committeemen and the party faithful like him. He is their boy. But they should face the uncomfortable fact that Nixon is not the type to inspire fervid enthusiasm among the uncommitted voters who will determine the outcome of the 1960 race."

# Suit Asks Refund Of $25 Million

## . . . BY WOW

Omaha (AP) — Attorney James P. Costello filed a suit in district court Wednesday asking the court to order the Woodmen of the World Life Insurance Society to refund at least 25 million dollars to its policyholders.

**Costello, who filed the suit in his own name as a policyholder of the insurance society, alleged that the society has $41,380,732 in an "unassigned reserve."**

He charged that the reserve was "accumulated through the years from an overcharge of premiums and a wilful refusal to declare sufficient refunds to certificate holders." He contended that "sound actuarial methods and sound fiscal management cannot justify reserves of this amount."

**'No Relationship'**

Costello declared the 41-million-dollar reserve has "no legitimate relationship to possible liability of any kind or nature."

**He said the society also has an assigned reserve of $168,016, which is invested in bonds, stocks, real estate mortgages and loans to policy holders which is "more than adequate to cover any contingencies."**

Costello's suit declared the recent proposal to move the society's headquarters outside Nebraska was an attempt to find "a more favorable regulatory climate and wider latitude . . . for the investment, expenditure and manipulation of the assets."

Informed of the suit's filing, State Insurance Director William Grubbs said he would have no comment to make on the matter.

# Lincoln Symphony Ticket Drive Ends

The Lincoln Symphony ticket sales drive has ended with 80% of the available reserved seats sold.

More than 100 volunteer workers campaigned to promote the symphony's 34th concert season.

"Tickets may still be obtained from Jim Niffen, business manager, or myself," commented Mrs. Carl Donaldson, one of the campaign directors.

Another ticket sales drive will be held in September for students in this area, she added.

# Tentative Line-Up For Fair Shows Named By Schultz

**A tentative line-up of talent for the Nebraska State Fair night grandstand shows Sept. 3-8 was announced by Fair Board Secretary Ed Schultz Wednesday. The stars to appear, pending contract arrangements, are:**

**Sept. 3-6: The Four Lads, Carmel Quinn and Roger Ray backed up by Buddy Merrill's Orchestra, a 16-girl chorus line of Hollywoodettes, and variety acts.**

**Sept. 7-8: Pat Boone and his entire television cast and singing groups, backed up by Buddy Merrill's Orchestra.**

**Schultz announced earlier that last year's favorite, Roy Rogers, could not accept a State Fair offer because of his doctors' orders.**

# May 5 Designated Legion Poppy Day

Crepe-paper poppies made by Lincoln Veteran Hospital patients will be distributed on May 5, the proclaimed Poppy Day for 1960.

Proceeds from the sale of these poppies will be added to the earnings of disabled war veterans at the hospital.

The American Legion Auxiliary, in co-operation with the Division of Rehabilitation Services of Nebraska, sponsors the annual sale of poppies. "Primary purpose of Poppy Day is to help America remember disabled war veterans, and the veteran's family," explained Mrs. John Horstman, executive member of Legion Auxiliary, Unit 3.

# Flood Planning Said Impressive

Washington — Rep. Larry Brock Wednesday reported that Red Cross Director Gen. Alfred M. Gruenther has informed him that survey teams were "most favorably impressed" by flood planning in Nebraska.

Gruenther noted that the damaging effects of the floods were significantly reduced by the precautionary measures and the efforts of responsible agencies here.

Brock pledged continued efforts to provide feasible projects "which will eventually eliminate these annual threats to the Midwest states, with the attending suffering, loss of life, and destruction of property and crops."

# 65% Expansion Of Crete Plant Set

Crete—A 5,000-square-foot addition which will increase production at the Crete plant of the Formfit Co. by about 65% was announced today.

Irwin Hesser, Chicago, Formfit vice president, said the expansion, which will be used exclusively for production, is the second for the Crete plant in the past year.

Plans call for the start on the 5,000-square-foot addition in about a week and completion within 3 or 4 months.

"Completion of the work," said Hesser, "will mean the hiring of 100 more sewing-machine operators, increasing our work force to 280 employees."

The new addition will be given the same architectural treatment as the original part of the one-story structure. Like the rest of the plant, it will be completely air conditioned. When completed, the total area of the Crete plant will be 17,000 square feet.

Construction will be financed by Crete Industries, Inc., whose funds built the original part of the structure in 1956, Dr. C. C. Lillibridge, president, and P. K. Collett, secretary, of the organization, said.

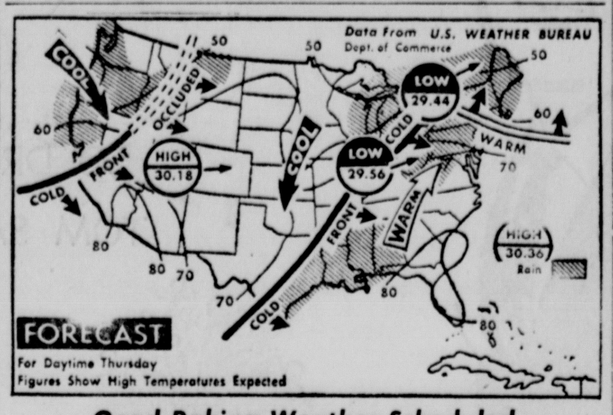
**Dead End Street Opens Like Magic**

BEATRICE, Nebr.—Mrs. E. M. Graham, 919 Elk St., says: "Several years ago my husband had dandruff and itchy scalp very bad. My son worked at the drug store, and he kept hearing so many people praise Baker's Hair Tonic, so he brought home a bottle. In just a short time my husband was free of the torment caused by dandruff and itchy scalp. We have never been without Baker's since." It's so easy and pleasant to use. Not messy or greasy like most so-called dandruff remedies. Use it any time, anywhere. There is no Federal excise tax on Baker's Hair Tonic, because it's a specific for dandruff. If you have been traveling down what seemed to be a "dead end street" looking for something to clean up dandruff and itchy scalp, your search will end like magic when you use Baker's Hair Tonic. You can depend on it—Baker's will clean up dandruff and itchy scalp, or money back. Adv.



## Good Raking Weather Scheduled

Cooler temperatures are forecast for the upper and middle Mississippi Valley while it will be warmer over the southern Rockies and central and southern Plateau area. (AP Wirephoto Map)

# Arnold School Issue Loses For 4th Time

Arnold (AP)—For the 4th time within a year the voters of the Arnold school district have turned down a bond issue for school improvements.

In a special election which attracted 823 voters—an exceptionally heavy turnout—a $369,000 bond issue which would have provided for an elementary school with shop, gymnasium and lunch room, failed to win the necessary 55% of the vote.

There were 437 votes for the bond issue and 384 against it. The mail vote was 5-3 for the proposal, two ballots were rejected.

Last May 5, the voters turned down a $415,000 bond proposal. Nov. 17 a $369,000 bond issue was edged out by a narrow margin, and March 15, a $125,000 bond issue failed.

Arnold has a population of 963, but the school district includes a rural area adjacent to the town.

Supt. Alvin Storey said another attempt to pass the bond issue will be made in about 6 weeks.

# Hinky Dinky Has 37 Supermarkets

Hinky Dinky Stores Co., which is headquartered in Omaha where it was founded shortly after World War I, now operates 37 supermarkets and employs about 1,000 persons in the Midwest.

The 35-year-old chain, extending from McCook to Des Moines, has 17 units in Omaha, 15 in out-state Nebraska and 5 in Iowa. Five additional units are scheduled for completion within the next year.

The firm was founded by three Newman brothers, Jules, Al and Henry, and their cousin, Ben Silver. The 4 men originally combined their individually-owned grocery businesses in the Omaha area, and expanded the operation into a full-fledged chain.

A catchy name for the new enterprise was discovered by the 4 founders in the midst of informal harmonizing while returning from a business trip by car. The name, Hinky Dinky, originated from the World War I classic, "Hinky Dinky Parley Voo."

A fleet of local and over-the road trucks supply units of the chain with some 7,000 items and various brands kept on inventory in the firm's warehouses in Omaha.

Hinky Dinky stores also sell such household and kitchen articles as toys, children's clothing, and hardware and garden tools.

New Hinky Dinky supermarket in northeast Lincoln

The Hinky Dinky chain provides an important outlet for millions of pounds of agricultural, meat and manufactured products from this area. It is also widely known for its active support of civic, charitable and religious projects in communities it serves.

J. M. Newman, president of the firm, notes that, "We shall never be satisfied to be known as merely another business concern. As citizens of our various communities we feel that, individually and as an organization, we must share the responsibilities as well as the benefits of citizenship."

## Warner, Ex-Grand Ruler Of Elks, Dead

Dixon, Ill. (AP) — Henry C. Warner, 83, past grand exalted ruler of the BPO Elks, died at a Chicago hospital.

Warner was national representative for Midwest Elks lodges and vice chairman of the Elks National Service Commission, working with veterans. He served as national leader of the lodge in 1939.

## Cheryl Jaeke Is Miss Grand Island

Grand Island—Cheryl Ann Jaeke of Shelton was crowned Miss Grand Island, 1960. She will compete in the Miss Nebraska contest at Columbus in July.

In second place was Barbara Gilham of Grand Island; Maureen Jablonski, also of Grand Island, placed third and also won the title of Miss Congeniality.

Since 1950, U.S. retailers have greatly increased their dollar expenditures for newspaper advertising. Sporting goods dealers, for instance, have upped their investments a healthy 97%; building supply dealers, 78%; appliance dealers, 67%.

# West To Seek Stopgap Settlement On Berlin

## Any 'Practical' Disarmament Plan Will Be Considered

Washington (AP) — The Western Allies agreed Wednesday to press for a stopgap Berlin settlement and to consider seriously "any practical disarmament proposal" Russia may offer.

At two pre-summit strategy sessions, they stipulated that Russia must clearly guarantee to respect existing allied rights in West Berlin as the price for any changes in the present status.

Foreign ministers of the Western Big 3 nations, plus those of Italy and Canada, followed this up by appealing anew to Russia to help develop a "balanced, phased and safeguarded" disarmament agreement.

Any such arms reduction, they stressed, "must be observed and verified by an appropriate international organization within the framework of the United Nations."

**Complete Agreement**

Britain's Foreign Minister Selwyn Lloyd used the term "complete agreement" after 2½-hour session on disarmament. France's Maurice Couve de Murville agreed, and Secretary of State Christian A. Herter added that the private strategy huddle had gone "very well."

In this atmosphere of harmony, the Allied foreign ministers set a final meeting for Thursday to consider Britain's plan for persuading Russia to agree to control weapons shipments to newly independent nations in Africa.

The swift agreement on ways to meet Russia's challenge to Berlin stood out as the highlight of the 4 hours of confidential talks.

The Western Big 3 foreign policy chiefs, with West German representatives taking full part, pledged to avoid any concessions at next month's summit conference which would endanger the Allied outpost in free Berlin or sidetrack them from their goal of uniting Germany into a single democratic nation.

To counter Russia's expected demand for separate German peace treaties, they also agreed to challenge the Kremlin to allow a vote by the 70 million Germans, in both Western and Communist zones, on an all-German treaty.

**Approves Decision**

West Germany's foreign minister, Heinrich Von Brentano, approved the sweeping decision on behalf of his government during a 2-hour allied strategy meeting.

"Everything is settled. We reached complete agreement," Von Brentano happily told newsmen afterward.

Von Brentano's comments made plain his belief that any concessions the Allies might offer would not sacrifice West Berlin to Russia's demands the Western sector be converted into what the Soviets label a free city.

## T. Jefferson Day Celebrated In Nebraska

Wednesday was official Thomas Jefferson Day in Nebraska, so proclaimed by Gov. Ralph Brooks for the first time in many years.

Robert Conrad, the governor's administrative assistant, said there is a provision in state law whereby April 13 can be named in honor of the noted Democratic president, but no such proclamation has been made in recent years.

Until Democratic Gov. Brooks took over the governorship last year, Nebraska had had 18 years under Republican governors.

# New Store Is Opened In NE Lincoln

The opening of the new Hinky Dinky Supermarket in northeast Lincoln marks the latest addition to the Hinky Dinky Stores Co., one of the fastest growing supermarket food chains in the Midwest.

Veteran grocer, Robert Steinberger, has been named store manager of the new supermarket which opened Monday at 60th and Adams. He is assisted by Art Wurm, market manager, who is also in charge of the meat department.

The one-story structure of contemporary, colonial design completes the first and primary phase of a planned Hinky Dinky Shopping Center. Work is continuing on the part of the Center which will be occupied by other small businesses.

Size of the new market, number 37 in the firm's chain, is approximately 18,000 square feet, with 14,000 square feet utilized for selling and display areas. The site was purchased by firm headquarters in Omaha for $55,000, and cost of construction totals $350,000.

Steinberger

Wurm

The 200-car parking lot at the front of the store features a parcel pick-up line. "The pick-up line is constructed so that customers may drive cars to the front of the store and load purchases directly from one of the 7 check-out counters," explained Manager Steinberger.

Other features of the ultra-modern store include a cashier office, which cashes checks and coupons, receives complaints and accepts returned items, and a home center department, which offers household items, kitchen utensils and general merchandise.

Both Steinberger and Wurm, who will direct the activities of the store's 43 employes, have worked in the company store at 25th and O, and at other Hinky Dinky stores throughout the state.

A second Hinky Dinky supermarket is located at 2535 O; a third supermarket will be located in the Gateway Shopping Center now under construction near Cotner and O.

## Conrad To Attend Highway Problem Meet In Ogallala

Robert Conrad, administrative assistant to Gov. Ralph Brooks, said Wednesday he will attend a meeting on highway problems in Ogallala Thursday.

The meeting was arranged by State Sen. Lewis Webb of Ogallala. Conrad said he expects to speak to the Ogallala Rotary Club at noon, and meet with various highway delegations during the afternoon.

Wednesday night, Conrad spoke to the Association of State, County and Municipal Employes at Hastings. Conrad is a candidate for the Democratic nomination for Governor.

Recreation—

## Summer Camp Total Is Large

There are a "surprising number" of summer recreation camps in operation in Nebraska, State Health Department officials learned when they started sending out copies of official health rules and regulations.

Marilyn Haeffele, secretary to T. A. Filipi, state sanitary engineer, said Wednesday that copies were prepared for 60 camps, but requests have since been received from about 80 more than this.

Under a law passed by the 1959 session of the Legislature, "recreation camps" are defined as any tract of land with one or more temporary or permanent tents or buildings established and maintained for more than a 48-hour period as living quarters for sleeping and preparing and serving foods for anyone other than a family group.

Each such camp must obtain a $10 state license from the health department, and this year must comply with a 6-page set of health and safety rules recently adopted by the State Health Board.

Failure to comply shall be a misdemeanor, subjecting the operator to a fine of $25 to $100.

Miss Haeffele said copies of the rules are being sent to camps operated by boys, girls and youth groups, churches and Bible groups, and numerous clubs for both young and old persons.

### Fallout Increases

New Delhi (AP) — Prime Minister Nehru told Parliament radioactive fallout over India had increased as a result of the French Sahara tests. Answering questions, he said the fallout had not reached the danger point.

## Dinner To Honor Nebraska Artist

**Lincoln Star Special**

Nebraska City — A recognition dinner for Terence Duren of Shelby, noted Nebraska artist, for his contribution to the cultural activities of the Brownville Historical Society, will be held at Steinhart Park Lodge in Nebraska City Sunday, April 24.

Artist Duren, who has for several years been interested in the historic Nemaha County village, is credited for forming the society. His art shows in the Brownville Town Hall and his "Living Still Life" concept for annual artistic exhibits have been recognized as factors in bringing many to the Brownville events.

CHICAGO

The butcher hog market hit its second highest price in more than nine months Wednesday with a good demand at prices steady to 25 cents higher.

The top of $17.25 was the first time with one exception that the market had gone above $17.00 since last June. It went for only one small lot of 198 lb offerings. On March 17, buyers paid up to $17.35. That was the peak since $17.50 on June 22.

No. 1 and 2 and mixed 1-2 grades in the 190-230 lb range cleared freely at $16.75-17.00 and 190-240 lb weights at $16.40-16.85. Heavier weights sold upward from $15.50, sows at $13.50-14.75.

Slaughter steer prices were as much as $1.00 higher.

Prime grade slaughter steers brought $32.00-33.50 for 1,150-1,250 lb weights, $29.50-31.50 for mixed choice and prime up to 1,450 lbs and up to $29.50 for strictly choice. The good to mixed good and choice were $24.25-27.25.

Heifers cleared at $28.25-29.00 for high choice and prime and at $23.50-28.00 for most good and choice. Bulls went at $19.25-21.25 for utility and commercial, vealers at $32.00 and down.

Wooled slaughter lambs were mostly steady at $20.50-22.50 for mixed good and choice to mixed choice and prime. Ewes were $6.00-8.50.

# CORCORAN INFLUENCE IS DENIED

### *In Pipeline Go-Ahead*

Washington (UPI—A second incident came to light of private contacts between members of the Federal Power Commission and Thomas G. Corcoran, the attorney for Midwestern Gas Transmission Co. and a member of the New Deal "Brain Trust."

FPC Chairman Jerome K. Kuykendall and Commissioner Athur Kline said in separate interviews that Corcoran contacted them about a year ago, before the FPC authorized his company to build a gas pipeline from Portland, Tenn., to Joliet, Ill.

The House Influence Investigating subcommittee already has scheduled hearings next month on Corcoran's later contacts with Kuykendall, Kline and Commissioner William R. Connole just a few days before the Oct. 31 decision authorizing the firm to build a pipeline to the Canadian border.

All 3 have denied that they were influenced by Corcoran's off-the-record contacts.

In disclosing the earlier contacts, both Kuykendall and Kline asserted vigorously again that they were not influenced.

## Contract Let For Platte Bridge

The contract to build Interstate Highway bridges over the Platte River near Ashland was awarded Wednesday following solution of a legal difficulty.

John Hossack, acting state engineer, said the state had been delayed in obtaining right of entry on the right-of-way on both ends of the twin bridges. The contract was awarded to the Massman Construction Co., of Kansas City, Mo., which was announced as the apparent low bidder last month at $1,513,-144.

The twin bridges are to be 30 feet wide and 1,540 feet long.

## Inheritance Tax Levied On Estate

An inheritance tax of $2,-089.46 was levied in Lancaster County Court against the $64,487.71 estate of the late Nannie E. Williams of Lincoln.

Mrs. Williams, who died last May 19, lived at 2312 Bradfield Dr.

## Offutt Tour On Tap For Canadian Legislative Group

Ottawa (AP)—Senate Speaker Mark Drouin and Commons Speaker Roldna Michener will head a group of 24 Senate and Commons members representing Canada at a meeting of the Canada-United States inter-parliamentary group in Washington April 21-22.

The Canadians and their American counterparts will discuss problems of concern to both countries in 3 committees—defense, trade and economic matters, and boundary waters. All meetings will be closed.

The Washington meeting is the second for the group. The first full meeting was held in Montreal last year.

On April 20, the Canadian delegation will be guests at a luncheon in New York tendered by the New York stock exchange. After their meetings and before returning home they will visit Offutt Air Force Base at Omaha, Neb.—headquarters of the U.S. Strategic Air Command—and Colorado Springs—headquarters of North American Air Defense Command

## State WRC Leader Guest At Meeting

Mrs. Bessie Bray, president and assistant inspector of the Nebraska Department of the Women's Relief Corps, was guest of honor at the annual dinner and inspection of the Belknap WRC.

Mrs. Lillian Hinkle and Ethel Kohl were initiated.

The month of April was memorialized in tribute to that April 95 years ago when the kindest parole of the ages was given to Gen. Lee and his men at Appomattox.

Selections from "A Stillness At Appomattox" and "The Last Days of Lincoln" and an original incident from the files of the late Belknap Post 1318, furnished authentic data for this memorial.

## $100 Fine Levied On Fake Ad Count

An Omaha man was fined $100 Wednesday by County Judge Herbert A. Ronin after pleading guilty to a charge of using deceptive and misleading advertising.

Samuel Moe, 45, received the maximum fine allowed by law.

Chief Dep. Co. Atty. Paul Douglas said the charge resulted from Moe's representing himself as an advertising salesman for a state railroad group. Douglas said Moe admitted collecting about $510 for advertisements in a railroad time book which Douglas said Moe claimed he was going to publish.

Two other men and a woman involved were released after questioning, Douglas said.

## Wagon Will Aid In Feeding Dogs

Ashland — Mrs. Irene Ferrier, 88, no longer has to carry heavy cans of meat scraps from a cafe to feed her 11 dogs thanks to friends.

She recently attracted attention during the flooding when 7 of her 18 dogs drowned.

Red Cross workers located a coaster wagon at the Goodwill Industries store in Lincoln for Mrs. Ferrier's use. Mrs. Walter Wyant, who gave Mrs. Ferrier a room in her hotel during the flood, drove to Lincoln to get the wagon for the elderly Ashland woman.

## Gasoline Said Endangering Gering Water

Gering (AP) — State Fire Marshall Joe Divis warned Gering city officials Wednesday that he believes a substantial amount of gasoline is saturating the earth north of town.

He said if no action is taken it could contaminate Gering's water supply and unless action is taken now Gering conceivably could find itself without water this summer.

Divis said it is his opinion a large amount of gasoline either spilled or leaked in the area around the Swift packing plant, which already has one of its wells contaminated by gasoline.

The Fire Marshal said he believes if Gering will drill shallow wells in the area it might be possible to suphon off the gasoline floating on top of the underground water.

Divis said he is continuing an investigation in an attempt to find the source.

He subpoenaed A. W. Schmidt, who operates a filling station across the road north from Swift, and Schmidt appeared Wednesday. He gave a statement to Divis in which he said he did not lose any gasoline.

# Manila, Taipei See Snub: No Ike Visit

Tokyo (AP) — The Philippines and Nationalist China, old friends and allies of the United States, are grumbling at being left out of President Eisenhower's goodwill trip to the Far East.

Reports from Manila and Formosa say they feel snubbed by the President's decision to visit Japan from June 19-23, with an 8-hour side trip to Seoul June 22 for talks with South Korean President Syngman Rhee. Eisenhower will be en route home from the Soviet Union.

Japanese leftists oppose the visit, and the trip even drew criticism from South Korea's pro-American political opposition.

**People, Too**

"We welcome his visit but he should make some gesture to the Korean people, not just President Rhee," said Choo Yo Han, policy chairman of South Korea's opposition Democratic Party.

The Democrats have gone to court to challenge Rhee's election to a fourth term. The March 15 balloting was marked by riots, and violence flared up again this week.

Rhee's opposition says the aged Korean leader has used police-state methods to stay in power, and Choo called on Eisenhower to suggest that "freedom be improved."

Filipinos, still harboring bitter memories of Japan's wartime occupation, are finding it especially difficult to accept the President's visit to their former enemy while bypassing them, Manila reports said.

There was no official comment in Taipei. But unofficial sources said there seemed little doubt that President Chiang Kai-shek's Nationalists will feel slighted if Eisenhower doesn't pick up a standing invitation to visit.

The feeling on Formosa is that a presidential visit would represent unqualified endorsement of the alliance between Washington and Nationalist China.

## $$ TO GO—BUT WHERE?

Washington (UPI)— This probably isn't a happy time to bring this up, but the government is sitting on $20 million it wants to refund to income taxpayers and can't.

Treasury officials said they are holding money for about 400,000 taxpayers who have never received their refund checks over a period of years.

"The records are kept forever," an Internal Revenue Service spokesman said. "We never dissolve an obligation like that."

The unclaimed refund checks would average around $45 to $50.

Virtually all the 400,000 refunds could not be delivered. The taxpayers forgot to put their address on their tax return, or they moved before the check came and left no forwarding address, or their handwriting was illegible.

## Fatness Factors Differ Between Men, Women

Chicago (AP) — Boredom and sadness often lead women to grow plump, but with fat men it's mostly a desire to eat.

At least that is indicated by a study on obesity made by Drs. Anna-Marie Chirco and Albert J. Stunkard of the departments of medicine and psychiatry, University of Pittsburgh.

They determined the physical activity and mental attitudes of groups of overweight and non-obese men and women.

In general the investigators found that fat men are somewhat less active than lean men but fat women take far less exercise than lean women.

**Slump In Dumps**

Fat women also tend to react to situations of despondency and boredom by cutting down their physical activity—but not the lean women or either of the male groups.

The researchers made their report to the American Physical Society, a member group of the Federation of American Societies for Experimental Biology, meeting in Chicago. It showed:

Pedometers, instruments which measure steps, showed 25 overweight men walked an average of nearly 4 miles a day compared with 6 miles for lean men tested.

**Feet Pampered**

The 15 obese women in this study walked only two miles daily compared with nearly 5 miles for the non-obese women.

Then all the volunteers were given a specially designed psychological test to determine their attitudes toward activity. They were asked to complete such questions as, "When I am blue I . . . .

"Clean up the house" or "iron clothes" or "go out" were typical answers from the non-obese women.

The obese women generally said, "I sulk" or "I cry."

The fat and non-obese men said they swim, go to the movies, or leave the house under such conditions.

## Death Of Pair On Beach Prompts Embassy Probe

Acapulco, Mexico (UPI) — The American embassy opened an officiail investigation Wednesday night into the mysterious deaths of two young American tourists. Mexican police attributed the deaths to a suicide pact or a case of murder and suicide.

Police said the bodies of Harold Lantrip, 29, of Garrison, Tex., and Thomas Howell, 30, of Guilford, Conn., were found on a lonely strip of "enchanted beach" 10 miles from Acapulco.

Each body had a bullet in the skull. A long-barreled .22-caliber pistol was found nearby as was an abandoned 1953 Chrysler sedan with Texas license plates. The bodies were clad in shirts and trousers.

Police said an autopsy showed the men had died either late Saturday or early Sunday. They had entered Mexico March 27 through Brownsville, Tex.

The men had registered in a local hotel April 4 but checked out April 5. From this, police deduced they had been living on the beach for a week. Police quoted a fisherman as testifying he had seen a bonfire nightly at the site where the bodies were found.

The copy of a telegram sent by Lantrip to his father indicated the two men were short of funds. The telegram said: "Involved in automobile accident. Bad situation. Please send $50 to get me home."

Police said the car found at the scene appeared to have been in a recent collision.

**Can't Sleep?**

Until recently, the only way to induce sleep was to drug the mind. Now comes safe, hospital-tested Dormin, using the newest sleeping principle. With Dormin you have nothing to fear—no dangerous narcotics, no habit-forming barbiturates, no tranquilizers. Yet Dormin was proved remarkably *effective in 9 out of 10 clinical cases.*

Try one or two Dormin capsules as directed. Clinical studies show that is usually enough to bring sleep quickly. Ask for Dormin, the original sleeping capsule—no prescription needed. Only $1.00 at all good drug stores.
